

INTERLOCAL COOPERATION AGREEMENT

between

SALT LAKE COUNTY

and

HOLLADAY CITY

Wasatch Blvd. Buffered Bike Lane

This Interlocal Cooperation Agreement (this "Agreement") is entered into by and between **SALT LAKE COUNTY**, a body corporate and politic of the State of Utah (the "County"); and **HOLLADAY CITY**, a municipal corporation of the State of Utah (the "City"). The County and the City may each be referred to herein as a "Party" and collectively as the "Parties."

RECITALS:

A. The County and the City are "public agencies" as defined by the Utah Interlocal Cooperation Act, UTAH CODE §§ 11-13-101 to -608 (the "Interlocal Act"), and, as such, are authorized by the Interlocal Act to enter into this Agreement to act jointly and cooperatively in a manner that will enable them to make the most efficient use of their resources and powers. Additionally, Section 11-13-215 of the Interlocal Act authorizes a county, city, town, or other local political subdivision to share its tax and other revenues with other counties, cities, towns, local political subdivisions, or the state.

B. During the 2018 General Session, the Utah State Legislature enacted Senate Bill 136, which allowed for a one percent local option sales and use tax, which is used by the County in its Regional Transportation Choice Fund (4th Quarter), which provides for on-going transportation funding in Salt Lake County (hereinafter "Transportation Funds").

C. The County has appropriated Transportation Funds to further regional transportation by financing all or a portion of the costs of transportation projects throughout the County in accordance with Utah Code § 59-12-2219 and all other applicable federal, state and local laws, rules and regulations.

D. The Parties now desire to enter into this Agreement providing for the transfer of up to Six Hundred Thousand Dollars (\$600,000) of Transportation Funds to the City to reimburse the City for certain costs incurred by the City to complete the Wasatch Blvd. Buffered Bike Lane project (the "Project").

(l) Transportation Funds: As defined in the Recitals, above.

1.2. Interpretation of Action That May be Taken by the County. Whenever in this Agreement an action may be taken or not taken by the County, in its sole discretion, this shall mean that the action may be taken or not taken by the Mayor of the County, or his/her official designee (or the Director of the Department of Regional Planning, Housing and Economic Development, if such duty is so delegated to him/her by the Mayor of the County), in his/her sole discretion.

ARTICLE 2 - DISBURSEMENT OF TRANSPORTATION FUNDS

2.1. Transportation Funds. During the Reimbursement Term, the County shall disburse Transportation Funds to the City to reimburse the City for Reimbursable Project Costs, up to the Maximum Reimbursable Amount for the Project, all on the terms and subject to the conditions of this Agreement.

2.2. Annual Status Update. Until the Project has been completed and Transportation Funds have been fully disbursed to the City, the City shall, on an annual basis, update the County on the status of: (a) the Project; and (b) the anticipated timing and amount of future Request for Disbursement submittals. This annual update shall be submitted to the County in writing (via letter or email) on or before June 30th each year.

2.3. Execution of Certificate of Grant Recipient. Concurrent with the execution of this Agreement, the City shall execute the Certificate of Grant Recipient attached hereto as **Exhibit A**.

ARTICLE 3 - REPRESENTATIONS AND WARRANTIES

3.1. City's Representations and Warranties. The City hereby represents, covenants, and warrants to the County as follows:

(a) Use of Transportation Funds. Any Transportation Funds disbursed to the City by the County under this Agreement will be used by the City: (1) solely to reimburse the City for costs actually incurred by the City for the Project during the Reimbursement Term and consistent with the allowable uses for Transportation Funds described in Utah Code § 59-12-2212.2; and (2) in accordance with all other applicable federal, state and local laws, rules and regulations.

(b) No Default. No default or Event of Default has occurred and is continuing, and no event has occurred and is continuing which with the lapse of time or the giving of notice, or both, would constitute a default or an Event of Default in any material respect on the part of the City under this Agreement.

(c) Information. To the best of the City's knowledge, any information furnished to the County by the City under this Agreement or in connection with the matters covered in this Agreement are true and correct and do not contain any untrue statement of any material fact and do not omit any material fact.

(d) No Event of Default. No Event of Default has occurred and is continuing beyond any applicable cure period.

(e) Warranties and Representations True. All warranties and representations made by the City in this Agreement have remained true and correct and all warranties and representations made by the City in the Request for Disbursement are true and correct.

4.2. Disbursements.

(a) In General. For any and all desired disbursements of Transportation Funds, the City shall submit a Request for Disbursement directly to the County. The City agrees to respond in a timely manner to any reasonable requests made by the County for additional information relating to any Request for Disbursement. In the event that the County declines to make the full disbursement requested in any Request for Disbursement for failure to comply with the terms of this Agreement, the County shall notify the City promptly and shall provide a written explanation of the specific reasons for such decision. The City shall submit a Request for Disbursement to the County no more frequently than once every thirty (30) days.

(b) Amount of Disbursement. Subject to compliance with the terms and conditions of this Agreement, the County shall disburse to the City the amount of Transportation Funds requested by the City in a Request for Disbursement for Reimbursable Project Costs, but in no event shall the County be required to disburse more than the Maximum Reimbursable Amount, in aggregate, over the Reimbursement Term. However, if the County determines that the City has not complied with all terms and conditions set forth in this Agreement or determines that the City's Request for Disbursement is deficient in any respect, the County may, in its sole discretion, decline to make a disbursement, or may make a partial disbursement based on the extent to which the City has complied with the terms and conditions set forth in this Agreement. Notwithstanding the foregoing, the County will not reimburse the City for Reimbursable Project Costs to the extent such costs have been funded with non-City funds (e.g., other federal, state, or local grant funds).

(c) Payment of Disbursements. The County shall, within ninety (90) days after receiving a Request for Disbursement from the City, either disburse to the City the amount requested by the City or provide a written notice to the City setting forth the reasons for non-disbursement or partial-disbursement. The County shall have no obligation to accept a Request for Disbursement or to make a disbursement of Transportation Funds to the City after expiration of the Reimbursement Term. Additionally, following expiration of the Reimbursement Term, the County may, in its sole discretion, reallocate any remaining and undisbursed Transportation Funds (for which a Request for Disbursement has not been submitted and is not pending) toward other projects within Salt Lake County.

(d) Acquiescence Not a Waiver. To the extent that the County may have acquiesced in noncompliance with any conditions precedent to the disbursement of

fees, litigation and court costs, expert witness fees, and any sums expended by or assessed against the County for the defense of any claim or to satisfy any settlement, arbitration award, debt, penalty, or verdict paid or incurred on behalf of the County. The City further agrees that the City's indemnification obligations in this Section 5.1 will survive the expiration or termination of this Agreement.

5.2. Recordkeeping. The City agrees to maintain its books and records in such a way that any Transportation Funds received from the County will be shown separately on the City's books. The City shall maintain records adequate to identify the use of the Transportation Funds for the purposes specified in this Agreement. Upon request of the County, the City shall make its books and records related to the Transportation Funds available to the County at reasonable times.

5.3. Assignment and Transfer of Transportation Funds. The City shall not assign or transfer its obligations under this Agreement nor its rights to the Transportation Funds under this Agreement without prior written consent from the County. The City shall use the Transportation Funds provided pursuant to this Agreement exclusively and solely for the purposes set forth in the Agreement.

ARTICLE 6 - DEFAULTS AND REMEDIES

6.1. City Event of Default. The occurrence of any one or more of the following shall constitute an "Event of Default" as such term is used herein:

(a) Failure of the City to comply with any of the material terms, conditions, covenants, or provisions of this Agreement that is not fully cured by the City on or before the expiration of a sixty (60) day period (or, if the County approves in writing, which approval shall not be unreasonably withheld, conditioned or delayed, such longer period as may be reasonably required to cure a matter which, due to its nature, cannot reasonably be cured within 60 days) commencing upon the County's written notice to the City of the occurrence thereof.

6.2. County's Remedies in the Event of Default. Upon the occurrence of any Event of Default, the County may, in its sole discretion, and in addition to all other remedies conferred upon the County by law or equity or other provisions of this Agreement, pursue any one or more of the following remedies concurrently or successively, it being the intent hereof that none of such remedies shall be to the exclusion of any other:

- (a) Withhold further disbursement of Transportation Funds to the City; and/or
- (b) Reduce the amount of any future disbursement of Transportation Funds to the City by the amount incurred by the County to cure such default; and/or
- (c) Terminate this Agreement.

Contribute Transportation Funds to the City in succeeding fiscal years. The County's obligation to contribute Transportation Funds to the City under this Agreement will terminate and become null and void on the last day of the county fiscal year for which funds were budgeted and appropriated, except as to those portions of payments agreed upon for which funds are budgeted and appropriated. The Parties agree that such termination of the County's obligation under this Paragraph will not be construed as a breach of this Agreement or as an event of default under this Agreement, and that such termination of the County's obligation under this Paragraph will be without penalty and that no right of action for damages or other relief will accrue to the benefit of the City, its successors, or its assigns as to this Agreement, or any portion thereof, which may terminate and become null and void.

(b) If Transportation Funds are not appropriated and made available to fund performance by the County under this Agreement, the County shall promptly notify the City of such non-funding and the termination of this Agreement. However, in no event, shall the County notify the City of such non-funding later than thirty (30) days following the expiration of the county fiscal year for which Transportation Funds were last appropriated for contribution to the City under this Agreement.

7.4. Force Majeure. Neither Party will be considered in breach of this Agreement to the extent that performance of their respective obligations is prevented by an Event of Force Majeure that arises after this Agreement becomes effective. "Event of Force Majeure" means an event beyond the control of the County or the City that prevents a Party from complying with any of its obligations under this Agreement, including but not limited to: (i) an act of God (such as, but not limited to, fires, explosions, earthquakes, drought, tidal waves and floods); (ii) war, acts or threats of terrorism, invasion, or embargo; or (iii) riots or strikes. If an Event of Force Majeure persists for a period in excess of sixty (60) days, the County may terminate this Agreement without liability or penalty, effective upon written notice to the City.

7.5. Notices. Any notice required or permitted to be given hereunder shall be deemed sufficient if given by a communication in writing and shall be deemed to have been received (a) upon personal delivery or actual receipt thereof, or (b) within three days after such notice is deposited in the United States mail, postage pre-paid, and certified and addressed to the Parties at their respective addresses.

7.6. Ethical Standards. The City represents that it has not: (a) provided an illegal gift in connection with this Agreement to any County officer or employee, or former County officer or employee, or to any relative or business entity of a County officer or employee, or relative or business entity of a former County officer or employee; (b) retained any person to solicit or secure this Agreement upon an agreement or understanding for a commission, percentage, brokerage or contingent fee, other than bona fide employees of bona fide commercial agencies established for the purpose of securing business; (c) breached any of the ethical standards in connection with this Agreement set forth in State statute or Salt Lake County Code of Ordinances § 2.07; or (d) knowingly influenced, and hereby promises that it will not knowingly influence, in connection with this Agreement, any County officer or employee or former County officer or employee to breach any of the ethical standards set forth in State statute or Salt Lake
