

TRCC support Program Guidelines and Policies

Overview of Changes 2023

1. Updated format to allow updating of guidelines as needed, rather than annually.
2. Specified that applicants may only have three open projects at any time. Open projects from previous TRCC cycles counting toward the total.
3. Explained applications from RDAs, Arts Councils, and other municipality-affiliated organizations count toward each municipality's total number of applications.
4. Clarified language about project start date.
5. Specified that project timelines must be 24 months or less, unless otherwise approved by TRCC Advisory Board.
6. Updated language regarding reimbursement to specify approved project will be reimbursed up to the approved funding amount.
7. Clarified language regarding capital funding.
8. Eliminated portions of narrative under PRT and CFSP principles to simplify and shorten document.
9. Updated links to Parks and Rec and Arts and Culture master planning documents.
