De

This request is to transfer funds from an over-funded TRCC bond project, 400-600 barn stalls, and defer a septic tank project in order to add alternate #2 to the RV parking project. Also, Equestrian Park would like to expand the scope of the 400-600 barn stall project to include the 800-900 barn stalls. Since these two projects will be bid together, Equestrian would like to use the balance of the TRCC bond project to complete both projects. This budget adjustment is needed in order to meet the June 10th deadline to expend the bond.

(1) If the request is for a grant, include the dates the grant will expire and what obligations are required of the County after the grant expires.
