A motion was made by Council Member Bradshaw, seconded by Council Member Bradley, that this agenda item be ratified. The motion carried by a unanimous vote.

After the meeting had adjourned, it was realized this agenda item should have been excluded from Council Member Bradshaw's motion to ratify, as it had been bumped from the agenda during the Council Work Session meeting. This oversight was addressed in an email from Mitchell Park, Legal Counsel, Council Office:

I think the cleanest fix is to have the updates ready to go next week. If they are not ready for some reason, we should have the Council prepared to take a vote to repeal the amendments inadvertently adopted on 02/28. In the interim, I would trust that the DA's Justice Division would understand that the Council's intent was not to adopt the amendments, and that the Council did not intend that its policy prohibit the DA's exercise of any its statutory functions between 02/28 and 03/07. I would also suggest that the Council would understand if the Mayor's office holds off on publishing the

inadvertently adopted amendments in order to avoid any unwanted attention or confusion.
