Presenter: Chair Stringham (Approx. 30 mins)
Discussion/Direction

Council Member Stringham stated the resolution before the Council today is the first step needed for the Council to look into dissolving the Justice Court. There are only 11,000 residents of the County, and she felt it did not make sense for the County to be in the Justice Court business. The resolution needed to be approved by July 1, 2022, in order for this to be considered at the State Legislature in 2025. This direction is only one of approximately four options the County could go.

Council Member Bradshaw asked if Judge Shauna Graves-Robertson, Salt Lake County Justice Courts, had been notified the Council was considering taking this step.

Council Member Stringham stated she talked with a staff member of the Justice Court letting them know the Council was looking into this. The Judge will be involved in future conversations.

Council Member Granato asked when the deadline was to decide on this.

Mr. Ralph Chamness, Deputy District Attorney, stated there is a two-year timeline. To get this before the Legislature in 2025, the Council needed to adopt this resolution by July 1, 2022.

Mr. Mitchell Park, Legal Counsel, Council Office, stated the decision to dissolve the Justice Court will be made by the State Legislatures, not the County Council.
