Ben provides a very specialized service with unique animal shows that cannot legally be done by other institutions in the state. At times we will use Ben and his animals as performers for public events at the Viridian Event Center. I provide no special treatment, or specific incentives to Ben when he is used, and the decision to use his services is made by an impartial events committee. Besides being a relative of Ben, there is no conflict of interest.

The Collaborative Summer Library Program (CSLP) is a grass-roots non-profit that creates a theme and manual for an annual Summer Reading Program. CSLP sells the manual and related incentives and promotional materials.

The potential conflict exists by the County Library using the theme. The State Library purchases the manuals and some promotional materials for libraries across the state, including the County Library. The County Library rarely purchases incentive or promotional items from CSLP. I do not use my position in the library or from my involvement with the CSLP Board to influence purchasing decisions.

My supervisor is aware of the commitment and supports my involvement. My tenure ends at the end of 2019 and I will cease my involvement with CSLP at that point.
