

# FEE REQUESTS | JUNE 2023

Salt Lake County Parks and Recreation is opening two unique amenities in mid-to-late 2023:

- Outdoor synthetic fields at Murray Fields
- Multi-user trails at Butterfield Trailhead Regional Park

Recent assessments of fair market rental fees/rates for similar amenities within the county and state have been conducted. Based on these assessments, we propose:

- changes to synthetic field use fees to more accurately and comparably reflect fair market fees (note: fees were previously proposed and approved; however, not yet implemented)
- new fees for special events on multi-user trail systems

## RECREATION REQUESTED FEE CHANGE: SINGLE FIELD (SYNTHETIC)

Single Field, Nonprofit				Single Field, Commercial
