Qualifications

Please tell us about yourself.

I am the newly elected Salt Lake County Treasurer. I am a Certified Public Accountant and I have over three decades experience in the field. My background includes experience with auditing, forensic accounting, budgeting, forecasting, modeling, compliance, federal government contract management consulting, and in-house CFO services. I have also audited county governments as an external auditor, and worked with multiple non-profits.

Why are you interested in serving on a board or commission?

As a representative from the tax offices, along with my professional background, I believe it's helpful to have another set of eyes assisting the fleet board and distributing the work.

What education, work experience, or volunteer experience do you have that applies to the board you are applying for?
