

COW Remodel Request

Technology Updates

Live streaming capabilities.

Replace white boards and drop down screens with larger, high resolution flat screen TV's.

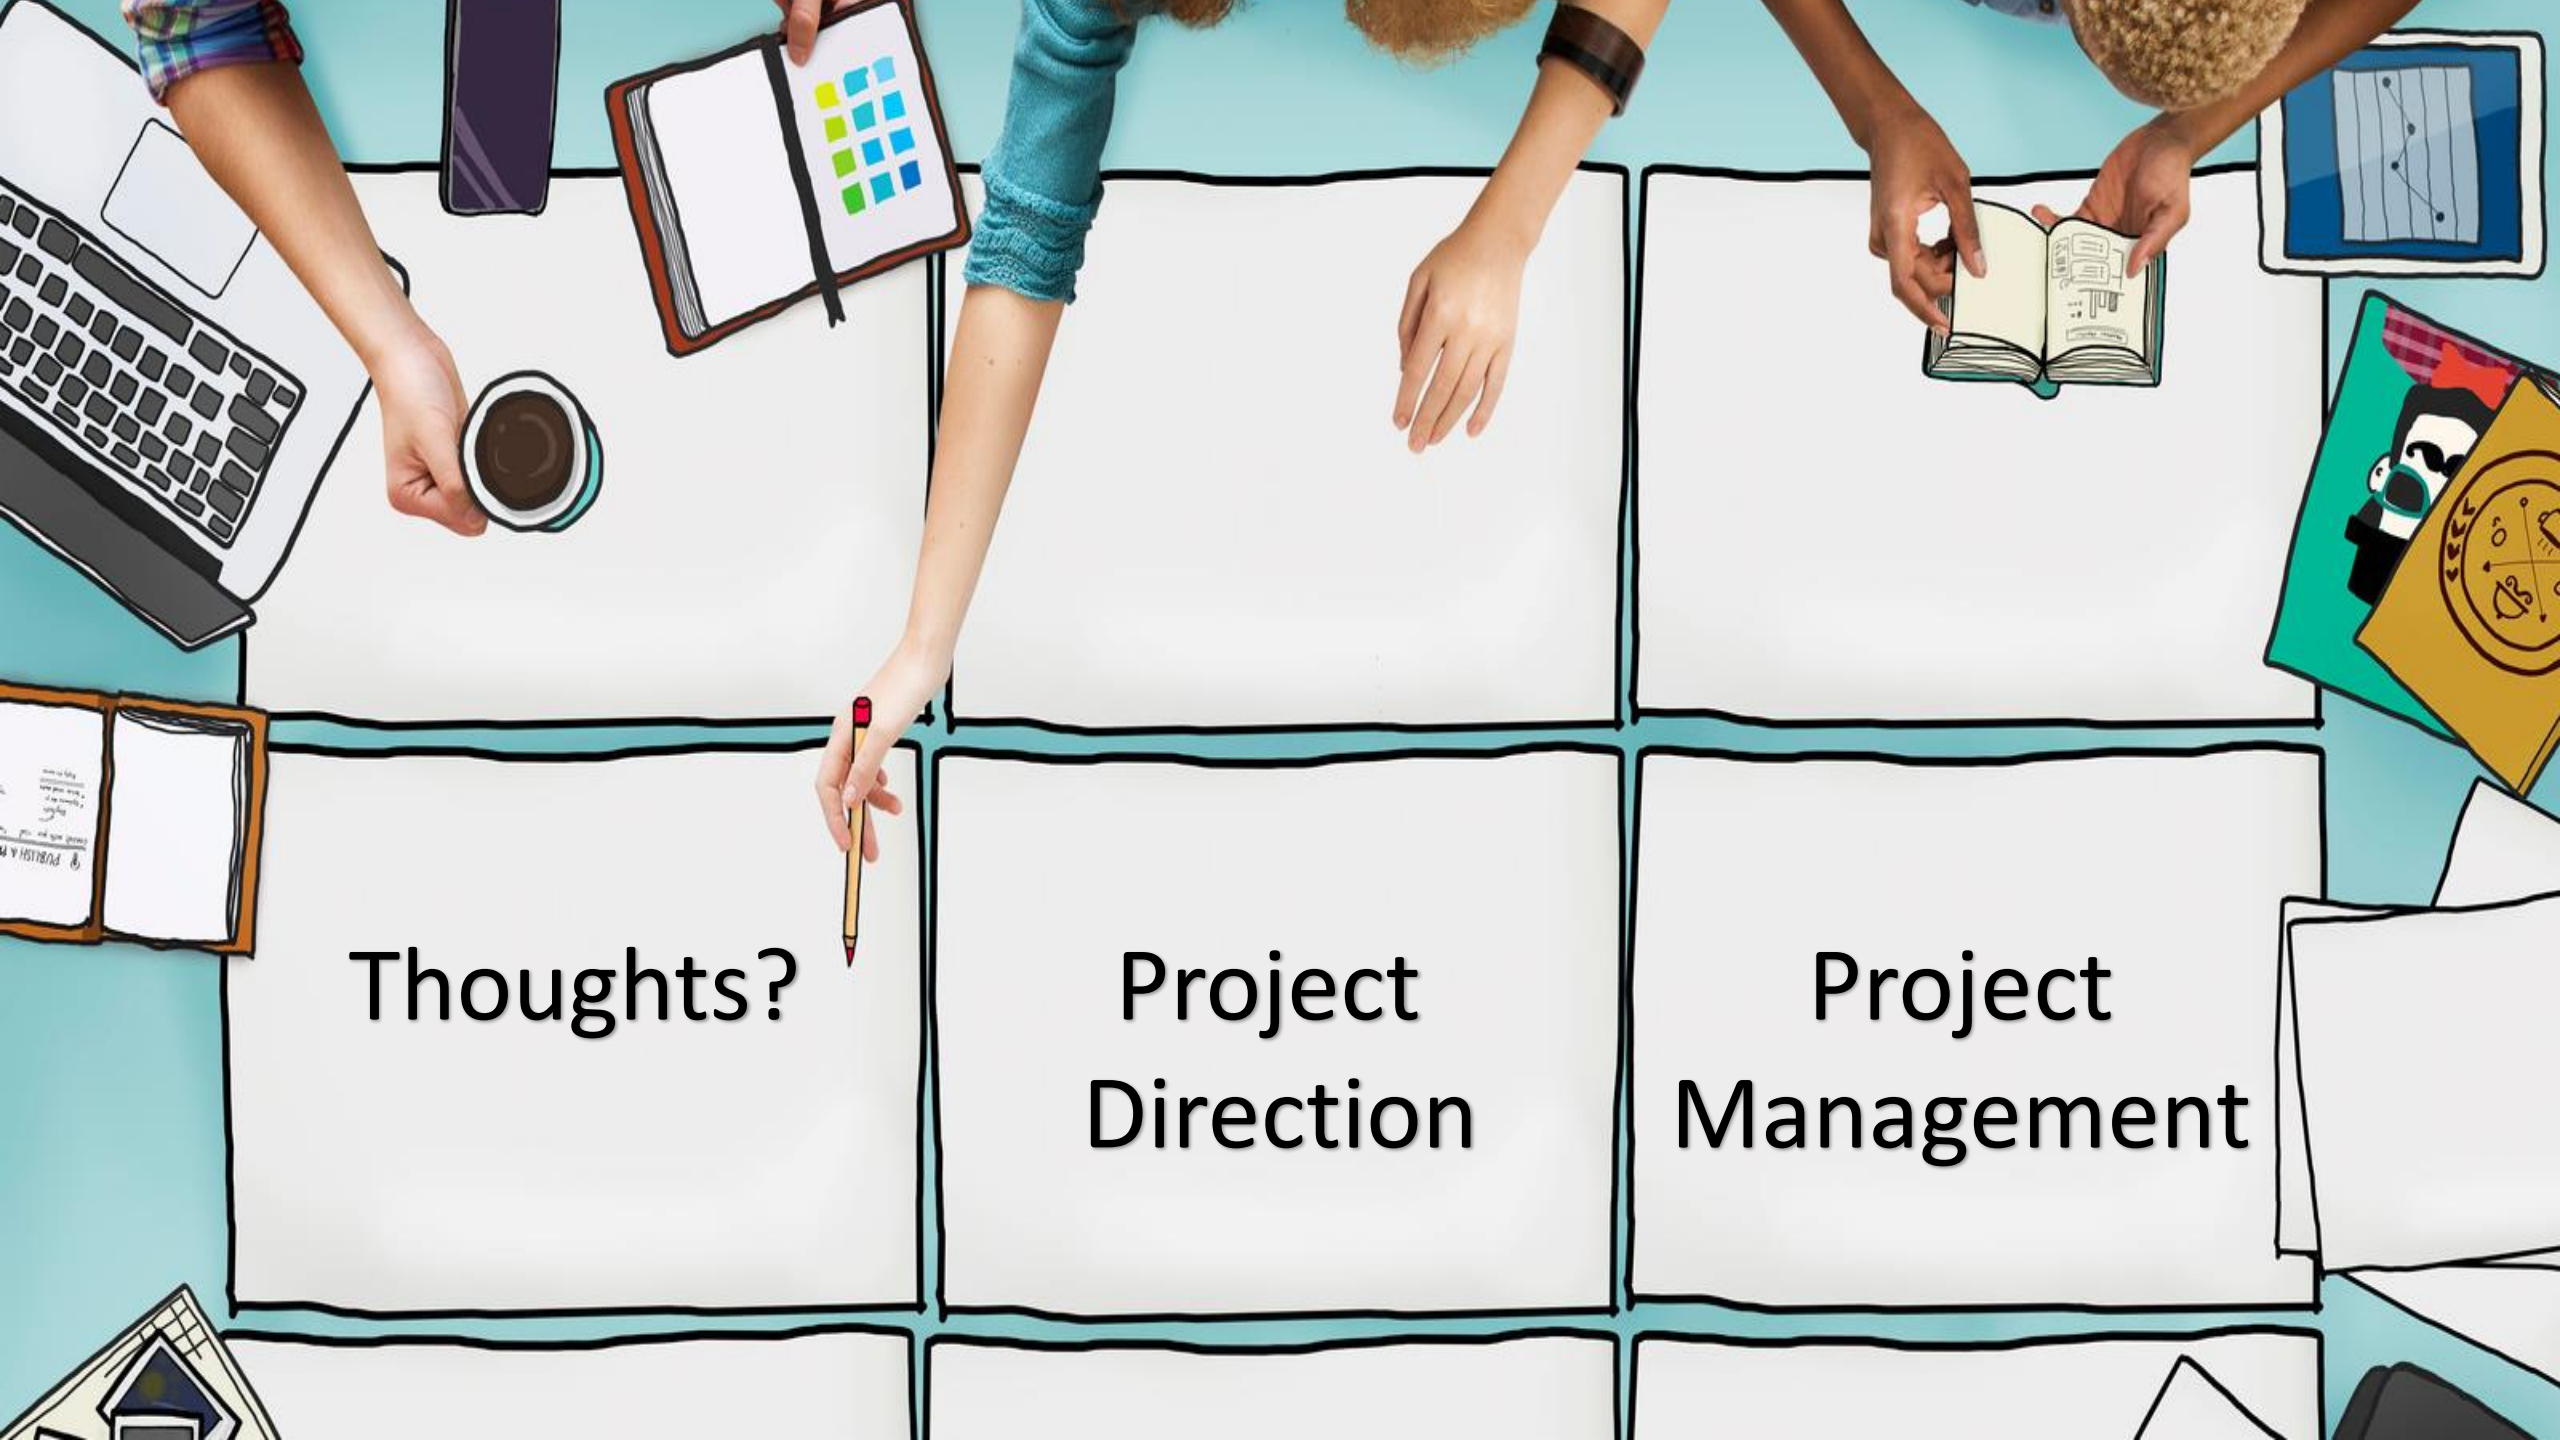

Add drop down TV's mid-room facing the Council so everyone can have a clear view of the presentations.

General Updates

- Patch & Paint (new colors)
- Eliminate unused connection boxes around the walls
- Freshen up the doors, door frames and window dressings
- Provide new seating throughout
- Keep the main tables
- Provide a modest table area in the back for periodic use.
- LED Lighting
- Update trash cans
- Update clock(s)
- Evaluate carpet for possible replacement or color change
