Mr. Chris Harding, Auditor, requested approval to reach out to the State Tax Commission to request an extension of the BoE to May 6, 2025 to allow processing time for the high appeal count.

Chair Laurie Stringham asked if there is any legislation in the works to correct this because the larger counties have a harder time meeting the deadline.

Mr. Chris Harding, Auditor, said he is unaware of any legislation. After speaking with the Tax Commission there are several things we can do to improve. We have asked for the commercial appeals currently taking 30 days to compress down to 10 days.

Mr. Brad Neff, Tax Administrator, stated there is a statute in place that allows 60 days and an additional statute that allows for requesting an extension.

A motion was made by Board Member Harrison, seconded by Board Member Granato, that this agenda item be approved. The motion carried by a unanimous vote.
