Qualifications

Please tell us about yourself.

I am a mom of 2 school aged boys and work part-time as a therapist in private practice. I was born and raised in the SL Valley and love where I live. I'm an avid reader and love to travel.

Why are you interested in serving on a board or commission?

I am a friend of the library and am interested in the decision making processes for community resources. The library board seems like a great place to serve.

What education, work experience, or volunteer experience do you have that applies to the board you are applying for?

I have a Master's degree in Social Work and have worked as a licensed clinician since 2012. I am a sustaining member of the Junior League of Salt Lake City and was the PTA President for my son's elementary in 2017-2018. I am currently serving on School Community Council for the elementary and middle school in my neighborhood.

What unique perspectives could you bring to the board?

My husband and I are both Pacific Islanders and I am a first generation Tongan-American and the first in my family to graduate from college. I am an advocate for people of color and underserved populations and easily connect with people from all walks of life.
