Unique qualifications and/or perspectives you would bring to a Board or Commission:

I have lived in Big Cottonwood Cyn. for 24 yrs. & been actively involved with the Big Cottonwood Community Council for about 20 yrs. I have actively participated in our own Cardiff Fork Board providing insights from the broader BCCC. Within the BCCC my focus has been on improving & collaborating on existing & proposing new trails. I have worked closely with SL County & the USFS agencies to coordinate & get approval for these projects. This has all stemmed from my involvement with the Mountain Accord & the BCCC development of our 3-T's project (Toilets, Trails & Transportation).

An aspect of my life, and a unique perspective I might be able to bring to the board. I have been an active sports enthusiast. Over the last 45 yrs I have hiked, skied & maintain biked most of the terrain in the central Wasatch. So my knowledge of the canyons & trails is quite extensive. I hope this perspective might be an addition to to the board as well as my willingness to learn about the mountainous Planning process.
