Qualifications: Answering these questions is required. Please note some board coordinators may also request a resume as part of the review process.

Why do you want to serve on this board?

I would like the opportunity to serve on this board to be a part of something that takes me out of my comfort zone as a victim advocate. I would like to learn more about the board, their roles, and be involved.

What education, work experience, or volunteer experience do you have that applies to this board?

I have my degree in Human Services and have been working as an advocate for the last 10 years. Previously I worked at the House of Hope treatment center, where I worked with both the women and their children. Both these jobs give me insight to different areas of social work, cracks in the system, needs, success stories, and hope.

What unique perspectives could you bring to the board?

I believe that I would bring the perspective of an advocate, parent, working mom, lifelong learner, and someone who wants to help with change.
