Dear Colleagues –

As you know we recently voted as a Council to convene the Constable Nominating Committee since we have a term expiring this year.

One of the positions is for a private citizen of Salt Lake County serving with approval of the Council. Brian Maxwell, my former advisor who worked closely with the constables, has agreed to serve in this position.

I am asking for approval during the Council meeting on October 9, 2018.

Respectfully,

Steve DeBry
