I prefer that my personal contact information remain private and protected Yes ☒ No ☐

Unique qualifications and/or perspectives you would bring to a Board or Commission:

I have a passion for economic development and entrepreneurship. I have served as the Executive Director for the Young Entrepreneurs Academy (Sandy Chamber/Granite School District) in the past. I have worked in the private and public sectors and have worked with economic development departments in West Jordan City, West Valley City, and Taylorsville. I have also managed and submitted grants for funding for the YEA classes and worked previously at the University of Utah Human Genetics and Neurology Departments in submitting grants for funding for NIH studies and local studies funded through the U of U. I have an understanding of what sponsors look for in grants and am able to interpret verbiage to gain an understanding of the need being asked for. I have some understanding (with room to learn more) about what cities face in economic development situations and the asks they receive from nonprofits, etc. I feel I would bring a unique background spanning from healthcare to business to education that would help to make me an asset to serving on this board. I also enjoy learning new processes and ways different boards operate.
