Consideration and Approval of 2024 Fee Schedule for Unincorporated SLCo

**Requested Agenda Item Description:**

Adoption of the 2024 Salt Lake County fee schedule for services the Greater Salt Lake Municipal Services District provides on behalf of SLCo.

MSD staff, in conjunction with SLCo Public Works, the District Attorney's Office, and other counsel, have developed an updated fee schedule for 2024 based upon Salt Lake County Engineering Division updating its fee schedule to reflect the actual cost of providing the services and the Greater Salt Lake Municipal Services District has proposed fees to reflect the actual cost of providing services that it provides on behalf of Salt Lake County. Certain fees are uniform between the jurisdictions serviced by the MSD for simplicity, practicality, and efficiency. While the fee schedule's core is similar, some differences are unique to Salt Lake County to maintain consistency with the County code.
