Requested Agenda Title:

Budget Adjustment: District Attorney's Request for Technical Adjustment to Correct a Budget Error

Requested Agenda Item Description: In 2021, a decision package was submitted to remove the \$242,856 that was placed in 695005 Council Discretionary account number. These funds were placed there in 2020 at the Council's request and were then moved to personnel appropriation for 2021 as the requirements Council had set for that had been met. However, the adjustment was entered incorrectly and now is causing issues with the 2022 budget entry into PeopleSoft MYFIN. This is not a request for new funds.
