Dear Honorable Mayor Wilson,

**PARKS & RECREATION
DIVISION**

Martin Jensen
Division Director

We are offering for your consideration the re-appointment of three (3) members of the Dimple Dell Advisory Board, each seeking to serve a 2nd term in office:

- Lori Haglund
- Nancy Hobbs-Orme
- Emily Montgomery

Salt Lake County
Government Center

Suite S4-700
Salt Lake City UT 84190

Each member has served with distinction and is willing to serve a 2nd term in office. Their resumes and applications are attached

As you are aware, the Dimple Dell Advisory Board provides advice to the Mayor and Council regarding the maintenance, development and management of the Dimple Dell Regional Natural Park. This Park – 640 acres of natural land, rich in prehistoric and recent pioneer history – is among the largest natural/native parks situated within an urban setting in the United States. It sits adjacent to the city of Sandy and the Metro Township of White City and provides natural habitat for local flora and fauna, as well as recreational amenities for equestrians, hikers, bicyclists, outdoor enthusiasts and more.

This Board has been soliciting new members to join its 15- member roster, and you can look forward to seeing nominations over the coming weeks. We ask that you support the re-appointment of these committed individuals.

Respectfully,

MARTIN JENSEN, Director
Salt Lake County Parks & Recreation

CC: Patrick Weber, Chair, Dimple Dell Advisory Board

Which Boards would you like to apply for?

Domestic Regional Park Advisory Board: Submitted

Referred by:

Qualifications

Please tell us about yourself.

I am currently serving on the Domestic Regional Park Advisory Board, but nearing the end of my first term and am applying for a second term.

Why are you interested in serving on a board or commission?

I want to be involved in my community, and this is an area where I feel I can make a contribution

What education, work experience, or volunteer experience do you have that applies to the board you are applying for?

I know a fair amount about the area, as a resident of Sandy for the past 40 years, and a lifelong resident of Utah. I have a most three years of experience on the board already, and prior to that have been involved in protecting Domestic Regional Park as a volunteer and board member with the Citizens for the Preservation of Domestic Regional Park. I would credit that organization and our efforts with protecting the nature park and keeping it from being developed in the mid-1980s with a golf course and amusement park additions.

Nancy Hobbs Orme

What unique perspectives could you bring to the board?

A long history -- since the mid-1980s -- of working to protect the status of Dimpie De as a nature park.
