

The Equestrian Park Advisory Board worked with SMG, community stakeholders, and the Community Services Department to identify rates that will provide greater flexibility and customer service to park users. Rates for youth are modeled on rates used in Recreation. We are hopeful that these rate changes will help with projected revenue that is falling short due to the rate increases over the past year.

REVISED MONTHLY BOARD RATES EFFECTIVE APRIL 1, 2017 PENDING COUNCIL APPROVAL

DRAFT

Dated: March 14, 2018
