Pledge of Allegiance

Mr. Mitchell Park, Legal Counsel, Council Office, led the Pledge of Allegiance to the Flag of the United States of America.

2. CITIZEN PUBLIC INPUT**3. REPORT OF ELECTED OFFICIALS:****3.1. Council Members**

Council Member Bradley stated 200 years ago, Greece declared its independence from the Ottoman Empire. That day, March 25th, is much like the United States' July 4th. Utah has the largest Greek community between Chicago and San Francisco. He also noted the difficulties Greeks had when coming to this country

because of anti-immigrant fervor. The success and assimilation of the Greek community should remind everyone that immigration works. He recommended a Utah Historical Society book titled *Toil & Rage in a New Land: The Greek Immigrants in Utah*.

Council Member DeBry stated he grew up in Magna with many Greek families who worked in the mills, refineries, and mines in the area. They were great people, and he holds them dear.

Council Member Stringham read a statement thanking those who reached out with support and encouragement in response to reports she and others made about abuse and harassment to women during the 2020 election and after. She will continue to speak up, work with entities and law enforcement, and protect women and men who face these horrific situations every day.

Mayor Jennifer Wilson stated she appreciated the voices and courage of Council Members Stringham and Newton. Whenever wrongdoing is addressed, it strengthens those institutions.

6. The Council requests that the Mayor continue to provide regular updates to the Council concerning the state of emergency pursuant to County Ordinance 2.86.050.D, including timely updates about the County's vaccination efforts and federal reimbursement process so that the Council might best evaluate when the state of emergency can reasonably be concluded.

7. The Council requests that the Mayor promptly notify the Council Chair of any new or modified public health orders issued pursuant to County Ordinance 2.86.050.E, particularly if those orders deviate from public health orders issued by the Governor of Utah or the State Department of Health. Such notice should be provided as soon as practical, but no later than five calendar days after such orders have been issued.

8. The Council encourages the Mayor to procure goods and services necessary to respond to the declared state of emergency through the regular, non-emergency purchasing procedures outlined in Chapter 3.20 of County Ordinance.
