Description and Justification:

Cultural Core Fund Balance Transfer for 2017: In November of 2017, a budget adjustment was approved to transfer the Cultural Core Program appropriations from Stat & General (General Fund) to the Center for the Arts Fund which included the 2017 Cultural Core appropriation of \$250,000. However, the related funds to cover the appropriation were not transferred at the same time, resulting in a negative fund balance impact to Center for the Arts of \$250,000. See 2017 year-end budget adjustment 350000YE05. This budget adjustment requests a fund balance transfer of \$250,000 from Stat & General (Fund 110) to Center for the Arts (Fund 185) to cover the 2017 cultural core program expenditures appropriated and assigned in 2017.
