2. CITIZEN PUBLIC INPUT

Mr. Steve Van Maren stated the Notice of Hearings on the agenda say they will be held in the Council Chambers. He asked if the Council was opening its meetings for those.

Mr. Mitchell Park, Legal Counsel, Council Office, stated the County Council is currently operating under a resolution that allows it to meet without a specified anchor location, which is what the Open Meetings Act formerly required. The Council could move downstairs for the public hearing today, but he did not think it would matter because the Council would still conduct the meeting electronically without public participation in the room. If the Notice of Hearings can be corrected, he suggested that be done.

3. REPORT OF ELECTED OFFICIALS:**3.1. Council Members**

Council Member Ghorbani recognized the Clerk's Office for their work on the Primary Election, and stated she hoped people would be sure to get their ballot in today.

Council Member Newton thanked the Council for helping her with a letter on the Receiving Center. The Legislature kept funds for that intact.
