

## Gregory R. Christensen

Greg retired in 2015 after more than 40 years in the workforce employed in a number of various professions. Some of those were in the physical security and engineering fields providing opportunities for the development of critical thinking and solution resolution. Additionally he spent time as a programmer analyst for a wide variety of organizations including college stores POS operations, health care billing and reporting, and automated collection's software. All of these professional situations provided increased skill in a number of enhancing attributes which provide positive interaction in the business world.

Since 2012 Greg has served as an elected member of the Kearns Improvement District (KID) Board of Trustees. As a Trustee, Greg's background in engineering and security has helped KID during the construction of \$57,000,000.00 of capital improvements and infrastructure, guiding the community to be the leaders in the water conservation effort, and in helping the Kearns Improvement District to become one of the preeminent Districts in the State of Utah.

In 2021 Greg was recognized by the Utah Association of Special Districts and received the Distinguished Board Member Award.

As part of his service to the community he was appointed by the Governor of the State of Utah to serve eight (8) years as a Board of Trustee for the Jordan Valley Water Conservancy District.
