I am one of 4 officers of an arts focused 501(c)3 nonprofit that operates mainly in Salt Lake County. To date, the organization has had no dealings with the county, and I do not anticipate any dealings in the near future. The focus of the organization is to exhibit and promote artworks by LDS artists and encourage collectors to learn about and support these artists by buying original work for private use.

The caucus trains and recruits candidates for elections across the state and spends money on resources to elect certain candidates nationwide. We do not coordinate with campaigns other than offering trainings and at events. We do and will interact & train candidates for county office and may choose to spend money in favor of candidates running for office in Salt Lake County.
