## Which Boards would you like to apply for?

Mountains Planning District Planning Commission: Appointed

## Referred by:

Cottonwood Heights City

## Qualifications

### Please tell us about yourself.

I've served on the Cottonwood Heights City Council, the Blue Ribbon Commission and the Mountains Planning District Planning Commission.

### Why are you interested in serving on a board or commission?

I'm interested in continuing my work on the MPDPC. I feel strongly about protecting our mountainous areas, especially in a way that represents and coordinates the interests of the many stakeholders involved.

### What education, work experience, or volunteer experience do you have that applies to the board you are applying for?

I helped develop the Sensitive Lands Evaluation and Development Standards, which was the first, comprehensive sensitive lands ordinance adopted by Cottonwood Heights. I also helped to develop the Wasatch Canyons General Plan, which was adopted by the County recently. I've attended multiple trainings and other workshops on planning and development.

## What unique perspectives could you bring to the board?

I understand that many stakeholders have an interest in the Canyons. From my work on the city council, I saw how many times those interests worked against each other to the detriment of all parties. I believe the board has a position to help those interests come together, and I want to be a voice for that perspective.
