Address and phone number of the institution, entity, business or person named above

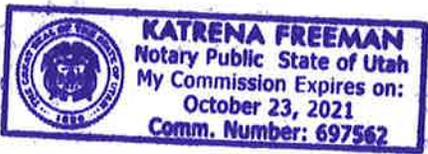

- C. Select the category that applies to yourself and the outside institution, entity, business or person identified in subsection (B) above:
- I receive or have agreed to receive compensation for assisting a person or business entity in a transaction involving Salt Lake County.
 - I am an officer, director, agent, employee or the owner of a substantial interest in a business entity that is subject to the regulation of Salt Lake County.
 - I am an officer, director, agent, employee or owner of a substantial interest in a business entity that does or anticipates doing business with Salt Lake County.
 - I hold an investment or other financial interest that creates a potential or actual conflict with my public duties.
 - I hold a personal interest that creates a potential or actual conflict with my public duties.

D. Give a detailed description of the actual or potential conflicts of interest identified above, i.e., the nature of the relationship of each business entity or person with the County. Use more sheets if necessary. *(This disclosure statement will not be accepted as valid unless this section is completed.)*

I review and approve structural building plans for building permits at the County. As the Owner of Ellis Engineering I could potentially be asked to provide engineering services for someone in the County and those plans could end up on my desk at the County for a building permit approval, which would be a conflict of interest. To avoid such, I do not knowingly take work from any client for projects that will be constructed in the areas of the unincorporated county or Townships within the county.
