MAAS SHEHAN JARO

Vice President Of Finance

SUMMARY

I am a dynamic and strategic Vice President of Finance with over 10 years of comprehensive experience in financial management, strategic planning, and team leadership within diverse industries. I have a proven track record of driving financial efficiency, leading high-performing teams, and contributing to substantial revenue growth. I am an expert in developing and implementing robust financial strategies aligned with business objectives. I am adept at financial forecasting, budgeting, and analysis, with a keen focus on optimizing profitability and reducing costs. I am a strong communicator, skilled in stakeholder management, negotiations, and presenting complex financial information in a clear and accessible manner. I am committed to maintaining compliance with regulatory standards and fostering a culture of continuous improvement and ethical financial practice. I am seeking to leverage extensive expertise to drive financial excellence in a forward-thinking organization.

WORK EXPERIENCE

Vice President Of Finance

Blackrock Neurotech Inc. - June, 2022 - Present

As the Vice President of Finance, I serve as a key finance partner to cross-functional leaders, including the Executive Leadership Team, focusing on driving process automation to deliver timely and insightful business analyses. I play a critical role in scaling the company's growth and driving bottom-line results, utilizing my expertise in revenue planning, as well as expense management. My responsibilities also included distilling, packaging, and presenting complex information in a clear and compelling manner. As a leader, I am committed to aligning with Blackrock's Diversity, Equity, and Inclusion (DE&I) objectives, exercising both conceptual and strategic thinking. I maintain and continuously improve the long-range financial planning framework and am involved in the development and ongoing assessment of short and long-term financial strategies. Collaborating with business leaders, I focus on identifying key trends, profitable growth opportunities, and ensuring forecast accuracy. I oversee the company's annual budget, monthly management reporting, and quarterly investor reporting to the board of directors.

Director Of Finance

Blackrock Neurotech Inc. - May, 2020 - June, 2022

As the Director of Finance, I was responsible for overseeing my company's

financial operations. My key responsibilities included developing and executing financial strategies, ensuring accurate and timely financial reporting, and managing budgets and cash flow. I maintained strict internal controls and ensured compliance with financial regulations. Leading and nurturing my finance team was a vital part of my role, as was building strong relationships with stakeholders. I actively supported strategic decision-making, guided investment and capital strategies, and lead the implementation of technological enhancements in our financial systems.

Finance Manager / Senior Accountant

Blackrock Neurotech Inc. - August, 2017 - May, 2020

As finance manager I was responsible for ensuring the accuracy and integrity of financial records. This role involved overseeing accounting procedures, reconciling financial discrepancies, preparing reports, and ensuring compliance with regulatory requirements. I also assisted in budget preparation and financial forecasting, offering insights and recommendations to support business decisions.

Accountant

City of West Jordan, Utah - July, 2015 - August, 2017

- Prepared monthly management reports for each department, highlighting year-to-date budget versus actual comparisons.
- Conducted monthly forecasting of the city's financial position, extrapolating to the fiscal year-end.
- Generated ad hoc financial reports as requested by the departments, city manager, city council, and mayor.
- Analyzed the financial implications of proposed projects and provided comprehensive information to the council to facilitate educated decisions.
- Performed monthly reconciliation of bank and bond accounts.
- Prepared financial reports for the City in compliance with Utah State Transparency Reporting requirements.
- Reviewed and approved all Personnel Action Forms generated by the Human Resources department.
- Processed month-end and year-end entries to accurately reflect the City's actual financial position and transition accounting periods.
- Created and maintained audit schedules for the City's liability and control accounts, ensuring accuracy and compliance.

Accountant

City of South Jordan - May, 2012 - July, 2015

- Regularly performed detailed reconciliations of all bank accounts to ensure accuracy and compliance with internal policies and external regulations.
- Managed and tracked the company's fixed assets, including acquisitions, disposals, and depreciation.
- Conducted periodic physical inventory checks of fixed assets.
- Assisted in the preparation and coordination of annual audits.

- Gathered, analyzed, and presented financial data and reports for auditors.
- Assisted in the preparation of the Comprehensive Annual Financial Report, ensuring compliance with government regulations and standards.
- Performed routine accounting activities such as journal entries, account analysis, and balance sheet reconciliations.

Purchasing Agent / Accounts Specialist

University of Utah - Department of Biology - April, 2007 - September, 2011

- Oversaw expenditure of 11 department professors' grants and contracts totaling approximately \$3.1 million.
- Acted as the primary purchasing agent for the department.
- Conducted general ledger supervision and reconciliation.
- Managed the department's fixed asset inventorying and fixed asset accounting process.
