The form only allows me to select one box in section C, I have included additional explanation below.
 I am a Realtor with Realtypath Platinum in Sandy Utah. There are many associates within this company and I am unaware who may have business interest with Salt Lake County.

Within my profession as a Realtor, there is always a potential for conflict of interest to happen. I serve many clients in Salt Lake County, and brush shoulders with many real estate professionals. Because I deal with housing in my county position, there may be conflict of interest at some point.

With transfer of title in a real estate transaction, we deal with the recorders office in Salt Lake County as well.
