Qualifications: Answering these questions is required. Please note some board coordinators may also request a resume as part of the review process.

Why do you want to serve on this board?

I would like to serve on this board because I firmly believe that SRO's should have more involvement with their students when they are victims of serious/tragic crimes. I believe the positive relationships our SRO's build with their students can have a very positive impact on them while they are going through difficult investigative processes. I would like to work with the CJC to help create a process in which SRO's can start to be more involved in helping their students through these difficult situations.

What education, work experience, or volunteer experience do you have that applies to this board?

- B.G.S. General Studies (4.0 GPA) from Columbia College
Minor in Criminal Justice & Sociology
- A.S. General Studies (3.76 GPA/honors) Salt Lake Community College
- 16 years of experience in law enforcement
- Approx 4 years of experience as Sergeant / Approx 2 years 8 months as Lieutenant

What unique perspectives could you bring to the board?

-I currently supervise three SRO's in the Holladay Precinct. These SRO's are located in Olympus High School, Olympus Jr High School, and Bonneville Jr High School. During this time I have observed the different ways their students have been victimized and how my SRO's have tried to assist their students through these situations. I have noticed that these students could possibly benefit from more continued assistance from SRO's when they suffer from these various crimes.
