

INTERLOCAL COOPERATION AGREEMENT
BETWEEN
GREATER SALT LAKE MUNICIPAL SERVICES DISTRICT, COPPERTON METRO
TOWNSHIP, EMIGRATION CANYON METRO TOWNSHIP,
KEARNS METRO TOWNSHIP, MAGNA METRO TOWNSHIP,
WHITE CITY METRO TOWNSHIP, TOWN OF BRIGHTON AND
SALT LAKE COUNTY
RESPECTING THE ISSUANCE OF BONDS TO PAY FOR INFRASTRUCTURE

THIS AGREEMENT (the “Agreement”) is made and entered into by and among the GREATER SALT LAKE MUNICIPAL SERVICES DISTRICT, a local district and political subdivision of the state of Utah (“District”); COPPERTON METRO TOWNSHIP, a municipal corporation (“Copperton”); EMIGRATION CANYON METRO TOWNSHIP, a municipal corporation (“Emigration”); KEARNS METRO TOWNSHIP, a municipal corporation (“Kearns”); MAGNA METRO TOWNSHIP, a municipal corporation (“Magna”); WHITE CITY METRO TOWNSHIP, a municipal corporation (“White City”); the TOWN OF BRIGHTON, a municipal corporation (“Brighton”); and SALT LAKE COUNTY, a body corporate and politic and a political subdivision of the state of Utah (“County”), on behalf of unincorporated areas located within the District. The Metro Townships and Brighton may be referred to herein as the “Municipalities”. Each Metro Township, Brighton and the County may be referred to separately or collectively as “District Members” or “Members”. The District and the Members are sometimes referred to in this Agreement as the “Parties”, and each as a “Party”.

RECITALS

A. **WHEREAS**, as a duly formed and lawfully existing municipal services district under the MUNICIPAL SERVICES DISTRICT ACT, Utah Code Ann. § 17B-2a-1101 *et seq.* (the “Act”), the District is authorized to exercise all rights, powers, duties, and responsibilities

of a municipal services district as provided by law. The District was created to provide specified municipal services to unincorporated areas of the County and to those metro townships, cities, and towns that might choose to be part of the District or to contract with the District for the provision of services.

- B. **WHEREAS**, the Municipalities and remaining unincorporated areas within Salt Lake County are served by the District.
- C. **WHEREAS**, the Municipalities are required, by Utah Code §17B-2a-1108, to remit their sales tax revenues under the Local Sales and Use Tax Act and their transportation funds received under Utah Code §72-2-108 to the District and the District Members are authorized by Utah Code §17B-2a-1109 to share their sales tax and other revenues for District purposes.
- D. **WHEREAS**, the Parties have determined, in light of favorable bond interest rates and escalating infrastructure construction costs, that it may be in their best interest for the District to issue bonds and construct capital improvements sooner than those improvements can be constructed on a pay-as-you-go basis.
- E. **WHEREAS**, the District may be able to obtain federal grant funding for some of the planned infrastructure construction projects, in which event the District will only be required to pay the “local match” portion of the costs of those projects, which may result in a lower level of borrowing, the completion of more infrastructure projects, and/or early partial repayment of the bonds.
- F. **WHEREAS**, pursuant to the Interlocal Cooperation Act, Utah Code Ann. § 11-13-101 *et seq.* (the “Interlocal Cooperation Act”), the District, and all District Members are authorized to enter into this Agreement.

G. **WHEREAS**, the Parties have determined that it is mutually advantageous to enter into this Agreement and for the District to issue bonds to pay for infrastructure that will benefit the District Members and will contribute to the prosperity, well-being, peace, and comfort of their residents and constituents.

NOW, THEREFORE, in consideration of the mutual covenants and promises of the Parties, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

AGREEMENT

1. Scope and Description of Borrowing.

- (a) The District, in reliance upon this Agreement, will issue one or a series of bonds (the “Construction Bonds”), through private placement, direct placement, one or more public offerings, or a combination thereof, in a principal amount that will not exceed \$20,000,000 in the aggregate, not including any bonds issued to refund existing bonds (the “Refunding Bonds” and, together with the Construction Bonds, the “Bonds”). Each series of Bonds issued pursuant to this Agreement will have a term of no more than ten (10) years, with approximately level debt service payments, and the end date of any Refunding Bonds shall not exceed the end date of the underlying Bonds that are being refunded, plus up to six months to allow the District flexibility in the refunding issue.

If the District decides it is advantageous to refund the Bonds, it shall only do so if there is an overall cost savings to the District and its Members.

- (b) The Bond shall be payable from each District Member’s proportionate share of Class B and Class C Road Revenues (defined below) as calculated in Subsection

2(c). The District Members covenant and agree to promptly remit and pay over to the District their Class B and Class C Road Revenues as the said revenues are received (in order to meet the requirements of paragraph 2 (a) below or as otherwise required by law). For purposes of this Agreement, “Class B and Class C Road Revenues” means all funds allocated to the municipalities and/or the County under Utah Code Ann. § 72-2-107

- (c) The Bond proceeds will be used to construct any infrastructure within the boundaries of the District for which Class B and Class C Road Revenues may be used and pledged under Utah state law (“infrastructure”). The infrastructure projects that initially will be funded fully or partially by Bond proceeds have been determined and approved by the District Board of Trustees in accordance with paragraph (1)(e) below. Additional projects using discretionary funds referenced in paragraph (1)(e) may be determined and approved by the District Board of Trustees in accordance with the following process. Engineering staff will identify and provide information concerning infrastructure projects, including a recommended ranking for each project in comparison with other proposed projects based upon such factors as the need for and value of the project, but the final ranking and priority of each project will be determined by the District Board of Trustees.
- (d) Once particular projects are undertaken using Bond proceeds, any changes to such projects are subject to the Bond’s issuance documents. At least one hundred twenty (120) days prior to the issuance of a Bond, the District shall notify each District Member of its intent to issue the Bond, to the extent providing such notice

is feasible under the circumstances. If one hundred twenty (120) days prior notice is not feasible, the District shall give the best notice practicable under the circumstances to each District Member, with at least sixty (60) days prior notice.

- (e) The table below identifies projects by jurisdiction that the District Board of Trustees has determined should be funded by Bond proceeds, which are not listed in any order of priority. The table also identifies discretionary funds not yet assigned to a specific project, as well as funds to pay for bond issuance costs. In the event an identified project is cancelled or adjusted, a bid comes in less, or a grant or other outside funding becomes available for one of the identified projects, then the amount of the savings, up to the full amount originally identified, will remain with the corresponding jurisdiction to be used on another project within that jurisdiction, unless that jurisdiction authorizes the District Board of Trustees to reassign the proceeds to another project or add the proceeds to the discretionary funds. At no time will proceeds from the discretionary funds be used to cover additional costs on a given project above what is identified in the table below unless 2/3 of the voting power of the District Board of Trustees votes to reassign funds from the discretionary funds. All other additional costs on a given project shall be the responsibility of the District from Class B and Class C Road Revenue not subject to the Bonds or any other revenue source that can be legally used for this purpose, or by a Withdrawing Member (as hereinafter defined) for which the project was constructed according to paragraph (2)(g) of this Agreement. Unless otherwise provided in this Agreement, all decisions with respect to discretionary funds requires a simple majority vote of the Board of Trustees. Notwithstanding

the foregoing or anything in this Agreement to the contrary, discretionary funds may be used to make non-discretionary payments required under a construction contract for the construction of an approved project on a simple majority vote of the voting power of the Board of Trustees in order to prevent the District from being in default under the said contract. Non-discretionary payments are those payments required under the original design of a project, the absence of which creates a default under a contract. Non-discretionary payments do not include payments for services that deviate from the original design of a project. “Original design” shall also include any change order or construction contract amendment that does not increase the cost of the original design of a project. Bond issuance costs will take precedence over discretionary funds. The District must adjust the amount of discretionary funds available to accommodate the funds needed to cover the final cost of bond issuance.

Area	Description	Bond Amount Aug 2021
White City	Sego Lily Drive Road Improvement	\$ 2,332,000
Magna	Cyprus Master Storm Drain Phase 2	\$ 1,935,000
Magna	9040 West Storm Drain (combined with Cyprus Project)	\$ 288,000
Kearns	4700 S Improvement Project	\$ 9,168,435
Emigration Canyon	Canyon Stabilization Project	\$ 2,201,000
Unincorporated	Lower Millcreek Canyon Road Overlay	\$ 2,712,000
Copperton	Stormwater, Road & Maintenance Projects	\$ 700,000
Brighton	Infrastructure & Maintenance Projects	\$ 200,000
	Projects at Board of Trustees Discretion	\$ 88,565
	Estimated maximum Issuance Costs *(Issuance costs will not be finalized until closing. If less than \$375,000, any excess moves to discretion category)	\$ 375,000*
	Total Issuance	\$ 20,000,000

2. Commitment of Each District Member.

- (a) Each District Member covenants and agrees to remit and pay over to the District all of its Class B and Class C Road Revenues as they are received to satisfy its responsibility to pay its proportionate share of all principal and interest payments on the Bonds as provided in this Agreement until the Bonds have been paid in full, both while the District Member remains part of the District and after the District Member has withdrawn from the District, should the said District Member choose to withdraw. Once the District pays the annual Bond payment(s), when due, the District agrees to return to any Withdrawing Member its Class B and Class C Road Revenues in excess of the Withdrawing Member's proportionate share.
- (b) Except as provided by law or any other agreement with the District, each Member shall be able to use and pledge Class B and Class C Road Revenues in excess of its proportionate share. Each Member's obligation to contribute toward payment on the Bond will not be more than its proportionate share of Class B and Class C Road Revenues, plus any penalty for late or non-payment as provided in this Agreement.
- (c) For purposes of this Agreement, "proportionate share" shall be calculated as follows:
- (i) Add up the total amount of the Class B and Class C road revenues of the District Members (including Withdrawing Members) annually;
 - (ii) Determine the percentage of each District Member's (including Withdrawing Members) contribution to the total amount in subsection 2(c)(i);
 - (iii) Determine the amount required to repay Bond proceeds, costs of issuance, capitalized interest, and debt service reserve requirements annually;

- (iv) Multiply a District Member's (including Withdrawing Members) percentage in subsection (2)(c)(ii) by the amount in subsection (2)(c)(iii); and
 - (v) Because each District Member's level of Class B and C Road Revenues may vary from year to year, each District Member's proportionate share shall be recalculated each year, including after the withdrawal of a District Member.
- (d) Each District Member's proportionate share of Class B and Class C Road Revenues will be comingled and used by the District for appropriate purposes, including the construction of infrastructure based upon the priority and timing for the same established by the District Board of Trustees consistent with subsection 1(e).
- (e) Should a District Member or Withdrawing Member fail, for any reason, to remit its proportionate share of a payment required on a Bond that is issued pursuant to this Agreement (the "Delinquent Member"), the District will provide to the Delinquent Member a notice and an opportunity to cure. If within 30 days of the date of the notice, the Delinquent Member has not made its proportionate share payment, the non-Delinquent Members' proportionate share will temporarily increase to make up for the Delinquent Member's proportionate share. The Delinquent Member shall then be required to pay, in addition to its proportionate share of the Bond payment, either a penalty at the rate of 12% per annum from the due date until the date paid or the penalty paid on the underlying Bond default, whichever is greater.
- (f) Each Party understands, acknowledges and agrees that its attorney may be required, as part of a bond closing, to opine concerning the legality and enforceability of this Agreement.

(g) Should a District Member withdraw from the District (herein a “Withdrawing Member”), the said Withdrawing Member shall remain liable and responsible for its proportionate share of the remaining unpaid balance (including interest) of the Bonds that have been issued up to the effective date of the withdrawal (including Refunding Bonds issued to refund Bonds issued prior to withdrawal), but not for any portion of the Bond issued after that date (excepting Refunding Bonds meeting the criteria outlined above in paragraph 1(a), issued prior to withdrawal), in accordance with the following: (i) The Withdrawing Member shall be responsible for and pay its proportionate share of the total redemption premium, principal and interest of the Bonds. A Withdrawing Member is not responsible for any amount in excess of its proportionate share of the amounts due under the Indenture relating to the Bonds, including the actual annual redemption premium, if any, principal and interest of the Bonds. Additionally, a Withdrawing Member is not responsible for any amount that may have been covenanted as coverage ratios in the Indenture entered into by the District for any Bonds that were issued after the Withdrawing Member withdrew (excepting Refunding Bonds meeting the criteria outlined above in paragraph 1(a) issued prior to withdrawal). The District shall continue to complete all infrastructure projects (ongoing and future) that are financed with Bond proceeds, notwithstanding the withdrawal; provided, however, in the event that the cost of an infrastructure project in a Withdrawing Member’s jurisdiction exceeds the amount of Bond proceeds, grants and other outside funding sources designated for such project, the Withdrawing Member shall (i) pay its proportionate share of any Bonds issued to

- finance the excess costs of said project after such Withdrawing Member withdraws or
- (ii) provide its own funding sources to complete such project.
- (h) The Withdrawing Member shall remit payment, via electronic funds transfer or check, at least thirty (30) days before the date any amounts are due to the District pursuant to this Agreement from the Withdrawing Member, as directed by the District.
 - (i) At least sixty (60) days before the due date, the District shall deliver a written statement to the Withdrawing Member that itemizes the amount due from the Withdrawing Member, including a breakdown that shows how the amount due was calculated.
 - (j) If the date a payment by a Withdrawing Member is due and payable falls on (i) a legal holiday recognized in Salt Lake County, Utah, (ii) a Saturday, (iii) a Sunday, or (iv) another day on which weather or other conditions make the District office inaccessible, then the payment shall be due and payable on the next day which is not one of the aforementioned days. If any required payment is not remitted to the District as and when due, the District shall be entitled to recover, in addition to the proportionate share owed under the Indenture for the Bonds, interest thereon at the rate of one percent (1%) per calendar month, to accrue from and after the date the remittance is due and payable, or the penalty paid on the underlying Bond default, whichever is greater.
 - (k) Alternatively, at the Withdrawing Member's option, the Withdrawing Member may defease its proportionate share of the Bonds by providing an irrevocable refunding

escrow (in the same manner as the District may defease the Bonds under the Indenture for the Bonds).

- (l) A Withdrawing Member shall not pledge Class B and/or Class C road revenues that have already been pledged under this Agreement on a priority basis, but only on a subordinated basis.

3. Progress Reports. Notwithstanding Section 6 below, at least annually, the District will provide a written progress report to the District Members, including Withdrawing Members. The report will include such detail respecting the outstanding Bond and infrastructure projects upon which Bond proceeds have been and are being expended as reasonably requested by any District Member or Withdrawing Member. At a minimum, each report will include the original principal amount of the Bond, the remaining unpaid principal balance, the schedule of all Bond payments that have been made, each infrastructure project that has been or is being financed, in whole or in part, using Bond proceeds, a schedule of upcoming Bond payments, and an accounting of each District Member's, including Withdrawing Members', annual proportionate share obligations. The delivery of a written report meeting the requirements stated above in this Section that is delivered to the District Member's representative on the District Board of Trustees shall constitute delivery of the report to the District Member (so long as any other notice parties set forth in Section 6 below are also copied on such reports). Nothing in the progress report shall excuse or reduce the revenues pledged by the Parties to repay Bonds.
4. Effective Date. This Agreement shall be effective upon the last of the following events to occur: (i) approval of the Agreement as provided in the Utah Code Ann. § 11-13-

202.5(1) and (2), (ii) delivery of the Agreement to an attorney representing each Party for review as to proper form and compliance with applicable law, and (iii) the filing of the signed Agreement with the keeper of records of each of the Parties.

- a. Subject to paragraph 5 below, the term of this Agreement shall terminate one (1) year after all of the Bonds issued pursuant to this Agreement have been paid in full.

5. Term and Termination Pursuant to Utah Code Ann. § 11-13-206(a), the Parties agree that this Agreement shall be terminated (i) no later than December 31, 2035, or (ii) prior to December 31, 2035, upon an express written agreement entered into by all of the Parties at least ninety (90) days prior to the agreed upon termination date, but only if, in either case, all Bonds or other obligations of the District that are secured by the Class B and Class C Road Revenues pledged hereunder shall be fully paid, discharged or performed prior to the effective date of the termination of this Agreement. A District Member's withdrawal does not require termination of this Agreement or an agreement by all of the Parties; only the written notice outlined in paragraph 6 is required.
6. Written Notices. For purposes of communicating and maintaining ongoing contract management, written notices will be delivered, mailed or sent by email to each designated Party identified below to the address or email on file with the District. Each Party shall be responsible to maintain updated addresses and emails.

A written notice shall be effective immediately upon personal or e-mail delivery as noted above or on the third business day after deposit in the United States mail, first class postage pre-paid, addressed as stated above. From time-to-time, any Party may change its notice address by so notifying the other Parties as provided above.

7. Liability. The Parties are all governmental entities under the Governmental Immunity Act of Utah, Utah Code Ann. § 63G-7-101, *et seq.* (the “Governmental Immunity Act”). Consistent with the terms of the Governmental Immunity Act, it is mutually agreed that each Party is responsible for its own wrongful or negligent acts which are committed by its agents, officials, or employees. No Party waives any defense otherwise available under the Governmental Immunity Act nor does any Party waive any limit of liability currently provided by the Governmental Immunity Act. Each Party agrees to notify the others of the receipt of any notice of claim under the Governmental Immunity Act for which one Party may have an obligation to defend, indemnify, and/or hold harmless

another Party within thirty (30) days of receiving the notice of claim. Each Party also agrees to notify every other Party of any summons and/or complaint served upon the said Party, if a Party may have an obligation to defend, indemnify and/or hold harmless any other Party, at least ten (10) days before an answer or other response to the summons and/or complaint may be due.

8. Interlocal Cooperation Act. For the purpose of satisfying specific requirements of the Interlocal Cooperation Act, the Parties agree as follows:

- a. The Parties do not, nor intend to, create an interlocal entity by entering into this Agreement.
- b. Each Party has submitted this Agreement to an attorney authorized to represent the said Party for review as to proper form and compliance with applicable law.
- c. The duration of this Agreement is as set forth in Sections 4 and 5 above.
- d. Each Party shall be responsible for formulating and approving its annual budget and the District shall be responsible for budgeting for each infrastructure project that will be funded through one or more bonds issued by the District as provided in this Agreement.
- e. Each Party will acquire, hold, and dispose of its own real and personal property and there will be no jointly owned property upon the partial or complete termination of this Agreement. Notwithstanding the foregoing, however, upon completion of construction, the District will transfer ownership of infrastructure to the District Member having jurisdiction over the location where the infrastructure is located and, upon withdrawal from the District,

infrastructure owned by the District that is located within the boundary of the Withdrawing Member will be transferred and conveyed to the Withdrawing Member.

- f. Inasmuch as each District Member is represented on the Board of Trustees of the District, to the extent necessary to administer the cooperative undertaking set forth in this Agreement, the Board of Trustees of the District shall have the full authority and responsibility to administer the cooperative undertaking on behalf of the Parties and, to the extent that voting is required, voting shall be weighted as provided in Utah Code Ann. § 17B-2a-1106(3).
- g. Since this Agreement cannot take effect under the Interlocal Cooperation Act until it is approved, signed, and filed with the keeper of records of each of the Parties, each Party agrees, promptly upon its mutual execution and delivery, to file a copy of the signed Agreement with the keeper of records of the said Party.
- h. Notwithstanding anything herein to the contrary, in the event that this Agreement does not satisfy any requirement of the Interlocal Cooperation Act, which failure would cause this Agreement to fail to be effective under the Interlocal Cooperation Act, this Agreement shall nevertheless be fully binding upon and enforceable by the Parties pursuant to law outside of the application of the Interlocal Cooperation Act.

9. Applicable Law. The provisions of this Agreement shall be governed by and construed in accordance with the laws of the State of Utah and courts located in Salt Lake County,

Utah shall have sole and exclusive jurisdiction over any dispute arising under this Agreement.

10. Integration. This Agreement constitutes the entire agreement between the Parties pertaining to the subject matter hereof and supersedes all prior agreements and understandings pertaining thereto.
11. Waiver. No failure by any Party to insist upon the strict performance of any covenant, duty, agreement or condition of this Agreement or to exercise any right or remedy consequent upon a breach thereof shall constitute a waiver of any such breach or of such or any other covenant, agreement, term or condition. Any Party may, by notice delivered in the manner provided in this Agreement, but shall be under no obligation to, waive any of its rights or any conditions to its obligations hereunder, or any duty, obligation or covenant of any other Party. No waiver shall affect or alter the remainder of this Agreement but each and every other covenant, agreement, term and condition hereof shall continue in full force and effect with respect to any other then existing or subsequently occurring breach.
12. Recitals. The recitals are an integral part of this Agreement and are included as part of this Agreement.
13. Amendment. The Parties may amend this Agreement by a writing signed by the Parties as provided in the Interlocal Cooperation Act. The amendment shall not be effective if it is not in writing or if it is not signed by all of the Parties.
14. No Agency. Agents, employees or representatives of each Party shall not be deemed to be agents, employees or representatives of any other Party.

15. Rights and Remedies. The rights and remedies of the Parties hereto shall not be mutually exclusive, and the exercise of one or more of the provisions of this Agreement shall not preclude the exercise of any other right or remedy.

a. MEDIATION. Claims, disputes, and other issues between the Parties, or any of them, arising out of or related to this Agreement which cannot otherwise be resolved by the affected Parties shall first be submitted to mediation as mutually agreed. Each affected Party shall be responsible to pay its equal share of the costs of the Mediator. In the event mediation is unsuccessful, the claim or dispute may be decided by litigation in the Third Judicial District Court of Salt Lake County, Utah. During mediation and/or litigation of any such dispute, the Parties shall continue to perform as provided in this Agreement.

16. Titles and Captions. All section and subsection titles and captions in this Agreement are for convenience only. Such titles and captions shall not be deemed to be part of this Agreement and shall in no way define, limit, augment, extend or describe the scope, content or intent of any part or parts hereof

17. Pronouns and Plurals. Whenever the context may require, any pronoun used herein shall include the corresponding masculine, feminine or neuter forms, and the singular form of nouns, pronouns and verbs shall include the plurals, and vice versa.

18. Time. Time is of the essence in this Agreement.

19. Survival. All agreements, covenants, representations and warranties contained herein shall survive the execution of this Agreement and shall continue in full force and effect throughout the term of this Agreement, irrespective of whether a District Member becomes a Withdrawing Member during the said term and shall remain fully enforceable

until all of the Bonds issued pursuant to this Agreement, including subsequently issued Refunding Bonds, have been paid in full.

20. Severability. In the event that any condition, covenant or other provision hereof is held to be invalid or void, the same shall be deemed severable from the remainder of this Agreement and shall in no way affect any other covenant or condition herein contained. If such condition, covenant or other provision shall be deemed to be invalid due to its scope or breadth, such provision shall be deemed valid to the extent of the scope or breadth permitted by law.

21. Litigation Expenses. If any action, suit or proceeding is brought by any Party with respect to a matter or matters covered by this Agreement, each Party shall bear its own costs and expenses.

22. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which, together, shall constitute one and the same instrument. A signature delivered electronically shall be deemed to be an original.

Each Party hereby signs this Interlocal Cooperation Agreement on the date written by each Party on the signature pages attached hereto.
