The Grantee will have 5 Days after written notification to cure and cease the violations, after which this Agreement may be terminated for cause immediately and subject to the remedies herein. Time allowed for cure will not diminish or eliminate Grantee's liability for damages. If the default remains after Grantee has been provided the opportunity to cure, the County may do one or more of the following: (i) exercise any remedy provided by law or equity; (ii) terminate this Agreement; (iii) debar/suspend Grantee from receiving future grants or contracts. If written notice is delivered under this section, the Grantee will provide an accounting of funds expended up to the date of termination and return any remaining balance to the County. If, after termination for default, it is determined that the Grantee was not in default, the rights and obligations of the parties shall be the same as if the termination had been issued for convenience as provided in this Agreement. - 13.6. **Termination for convenience.** The County may terminate this Agreement for any reason or for no reason, upon not less than 30 Days' prior written notice to the Grantee stating County's intention to terminate this Agreement. Grantee agrees that the County's termination for convenience will not be deemed a termination for default nor will it entitle Grantee to any rights or remedies provided by law or this Agreement for breach of contract by the County or any other claim or cause of action.
