RE: Requests for refund or waiver of the penalty and interest imposed for late payment of 2023 or prior year's real property tax (See list for recommendations, count of 3)

Council Members:

The Property Tax Committee, at a meeting on June 20, 2024, reviewed three requests for refund or waiver of the penalty and interest imposed for late payment of 2023 or prior year's real property taxes. The late penalty and interest should be upheld for two of the three of the requests, and waived for one of the requests.

Real property tax is due and payable when billed. Salt Lake County Ordinance allows for waiver/refund of the penalty and interest if the appropriate application is made within one hundred eighty (180) days after the date of delinquency for property taxes and upon demonstration of the following factors: (a) failure to receive notice of the assessment or of the taxes due based upon an error by or the inability of the county where it is clear from the county records that such error arose solely as a result of the failure or inability of the county to implement information contained in the records; (b) medical circumstances which precluded the taxpayer from both making a timely payment and appointing an agent for such matters.

The attached list includes the individual recommendation of the Committee. All outstanding balances should be paid as billed by the Treasurer to avoid additional interest charges. A request to consider a waiver/refund does not postpone the payment of the tax nor stop interest from accruing.

Sincerely,

A handwritten signature in black ink that reads 'Brad Neff'.
