Topic/Discussion Title:

2022 Water Summit: Reducing our Outdoor Water Footprint

Description: Cynthia Bee, a landscape architect and outreach coordinator at Jordan Valley Water Conservancy District, talks about reducing your water footprint by 5,000-8,000 gallons a year by rethinking your outdoor living spaces. Salt Lake County will propose more water savings solutions to further reduce its own footprint. The 2022 Water Summit is a 4-week series highlighting important water issues facing Salt Lake County and its residents. The series will be held on Tuesdays at 2 p.m. during the County Council Work Session
