Qualifications

Please tell us about yourself.

I am a parent, a compliance officer with a large employer in Salt Lake County. I love learning new things and I especially love getting a good book and having an adventure. I want to share that experience with others.

Why are you interested in serving on a board or commission?

I want to help my community and I feel the Library board is an area where I can have a strong impact.

What education, work experience, or volunteer experience do you have that applies to the board you are applying for?

I have both a JD and an MSW, and I also served as a Library Board member for a small town in Arizona.

What unique perspectives could you bring to the board?

I bring perspectives of someone who has lived with a hidden disability and worked extensively in the disability field. I look at things from an accessibility perspective and would seek to improve access for this group who often gets overlooked. I also bring a background of someone who has honorably served in the military, and someone who is a first-generation college graduate.
