Unique qualifications and/or perspectives you would bring to a Board or Commission:

I Spent a little time as a volunteer in my youth at Hogle zoo and I loved every minute of it . I know it probably does not relate much with domestic pets but they need people that care for them as well. As you may have heard Kearns has a bit of a problem with family pets getting loose and going missing or far worse getting injured or injuring someone or even someones family pet. My personal believe is that with a little education and community involvement we can make things happen here in Kearns and across our valley. I am always open or a discussion and brainstorming problems and being and advocate for our Officers, and Shelter and a Liasion for the Community
