Topic/Discussion Title:

Update of Payment Card Industry Data Security Standard Policy (Countywide Policy 1400-7)

Description: We need to update this policy to reflect a change in training and security requirements. This policy was last updated in January of 2017. The updated language in the policy has followed the new process recently established where in it is reviewed by the Solutions Working Group (SWG), the Governance Working Group (GWG), and finally the Technology Advisory Board (TAB) who has authority to send policy to Council. TAB voted to recommend the policy to the Council at their meeting on 5/31/2018.

Please attach the supporting documentation you plan to provide for the packets. Agenda items must be approved by Wednesday at 11:00 am. While not ideal, if PowerPoint presentations are not yet ready, you can submit them by 10 am the Friday morning prior to the COW meeting. Items without documentation may be withheld from consideration for that COW meeting.
