Subject: MPD Resolution

Dear Councilmember Theodore,

As your constituent, thank you for your hard work and dedication to important issues in our District.

Our organization appreciates your thoughtful approach to issues in the Wasatch Canyons, in particular the Mountainous Planning District and Commission. Although our Resolution opposed the extension of the MPD, we did not identify the elegant solution that your Resolution proffers. It is my understanding you propose to keep the MPD and its boundaries, minus the Town of Brighton while keeping with the spirit of a "planning advisory area".

You clearly understand the significance of the Wasatch canyons. After review with CCOA members of your proposed solution to our concerns, Cardiff Canyons Owners Association supports your Resolution.

As President of the CCOA, you have my full commitment and support. We look forward to working with you over the next few months as the Council and Mayor's office seats new Commission members. Our organization will be submitting names of landowners who are both qualified and willing to serve.

Once again, thank you for your hard work and dedication to District 6 and to the residents of Salt Lake County.

Sincerely,

Wayne Crawford, President
Cardiff Canyon Owners Association
