

TRCC FUNDING REQUEST 2024

**Sandy Parks and Recreation
Bicentennial Park Pickleball Courts & Playground**

Project Need

- 9.39-acre park was original constructed 1976 in the underserved Historic Sandy District.
- From Sandy's 2024 P&R Master Plan
 - Residents who live close to the park identified the playground as the primary amenity in need of immediate replacement.
 - Walking as the primary mode of travel to the park. 2,000 residents are within a 10-minute walkshed to this Park.
- Pickleball, Tennis, Cornhole, slack line, and hammock stations are forms of active and passive recreation that would be ideal in this area.
- For residents of Historic Sandy to access existing pickleball courts they would have to travel 1.5 miles and cross major arterial roads at 1300 East or 9000 South.

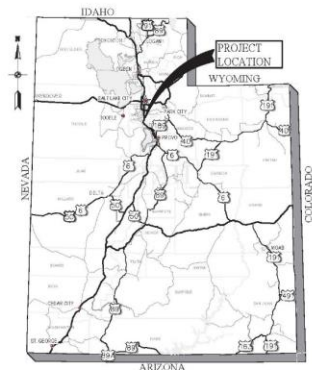

Project Summary

- Updated amenities tennis courts, pickleball courts, cornhole, slack line and hammock stations
- Funding Spent for Design and Approval fees: \$14,640
- Funding in hand: \$624,735
- Funding Requested: \$700,000
- Total Project Cost: \$1,324,735
- Site plan is approved, and we are ready to award construction
