**Ms. Catherine Kanter**, Deputy of Regional Operations, stated the difference between the 2022 budget and what is being proposed this year is \$37,000. Part of the increase is due to the possibility that citizens within the Mt. Aire area are considering creating a community council. Funds will be needed if this occurs.

**Ms. Lisa Hartman**, Associate Deputy Mayor of Regional Operations, stated these are line items the County forwards to the MSD. The Council will determine how the funds will be used through the budget process.

**Mr. Jared Steffey**, Fiscal Manager, Public Works Department, stated 40 percent of revenue the MSD receives is from the County.

Presenter: Mayor Jenny Wilson; Deputy Mayor Catherine Kanter; Julia Geisler, Executive Director of Salt Lake Climbers Alliance; Carl Fisher, Executive Director of Save Our Canyons (Approx. 15 mins)

**Mayor Jennifer Wilson** stated she received a request from Ms. Julia Geisler, Executive Director, Salt Lake Climbers Alliance, and Mr. Carl Fisher, Executive Director, Save Our Canyons, for a \$38,000 donation to complete a reroute of the Jacob's Ladder Trail located in unincorporated Salt Lake County within the Lone Peaks Wilderness area. She is recommending this request be granted.

**Ms. Catherine Kanter**, Deputy Mayor of Regional Operations, stated funds for this contribution would come out of the Municipal Services District budget. In 2022, when the MSD budget was approved, the Council set aside \$41,000, to be used for miscellaneous unincorporated County projects. This would be a good use of those funds.

**Mr. Carl Fisher**, Executive Director, Save Our Canyons, stated this trail is heavily used and has degraded overtime. He presented a video of the area showing the steep grade and damages to the trail.

**Ms. Julia Geisler**, Executive Director, Salt Lake Climbers Alliance, stated this is one of the worst trails along the Wasatch Front. The \$38,000 will be used to finish the reroute. If the Council decides not to fund this request, then the new part of the trail will be tied into the part not finished and that will be the completion.

A motion was made by Council Member Bradley, seconded by Council Member Bradshaw, that this agenda item be approved and forwarded to the 4:00 PM Council meeting for ratification. The motion carried by a unanimous vote.

**Council Member Newton** asked if there was a style guide for the website.

**3.8 Budget Adjustment: Mayor's Office's Request for \$39,794 and 1 FTE for a Branding Manager** [22-0767](#)

**Attachments:** [26179 - Mayor's Admin Brand Manager Position Staff Report](#)  
[Brand Manager request 08102022 FINAL](#)

Presenter: Kerri Nakamura, Chief of Staff to Mayor Wilson; Katy Fleury, Mayor Communications Director (Approx. 20 mins)  
Discussion/Direction

**Mayor Jennifer Wilson** stated her office does not have the staff needed to support the new website, which is why she is requesting \$39,794 and one full-time employee (FTE) grade equivalent to a 17, to act as a brand manager. The responsibilities of the new manager would be to oversee and manage key messages and changes to the website; develop and ensure agencies adhere to a style and brand guide; advise and support agencies in updating service information on the website; assist in promoting and marketing services; and coordinate services accessibility.

**Ms. Kerri Nakamura**, Chief of Staff, Mayor's Office, stated the County needed to protect its investment and that is why now is the right time to hire a

branding manager.

**Council Member Snelgrove** stated he was reluctant to support this new hire during this period of recession and inflation. It is the wrong time to be adding new FTEs.

**Council Member Granato** asked what authority this person would have.

**Ms. Katy Fleury**, Communications Director, Mayor's Office, stated the goal of this position is to work with the agencies and elected officials to get what is needed, but to match what is there.

**Council Member DeBry** stated last year during the budget sessions, the Council eliminated two FTE positions from the Mayor's Office. At that time, the Mayor was told to come back to the Council at a future time, if and when the positions were needed. The Council indicated it would support the additional positions if they were needed.

**Council Member Newton** asked where this position would resign.

**Mayor Wilson** stated she would make a commitment that this position is not meant to advance the Mayor's Office. It is meant to give value to all elected officials. She would be willing to have the Steering Committee review the policies and procedures around the operations of this position and once done, have the Council confirm it.

A motion was made by Council Member DeBry, seconded by Council Member Winder Newton, that this agenda item be approved and forwarded to the 4:00 PM Council meeting for ratification; and to ask the Steering Committee to review the policies and procedures, and forwarded them to the Council for consent. The motion carried by a 8 to 1, vote with Council Member Snelgrove voting "Nay."
