RE: Request by David Bronson (taxpayer) for removal of a primary residential exemption and reimbursement to Salt Lake County, of unentitled funds pertaining to the primary residential exemption for tax years 2015 - 2018 on parcel 16-08-177-006-0000

Council Members:

The Treasurer and Council-Tax Administration have considered the request for the above-mentioned parcel, and recommend the request be granted.

The taxpayer stated he received the primary residential exemption for which he did not apply. The taxpayer maintains that the property was not his primary residence. Council-Tax Administration and the Treasurer are not relying on any information from other sources, other than the taxpayers' statement of ineligibility. He requests the exemption be retroactively removed for the 2015-2018 tax years. The taxpayer will submit a payment upon approval of this letter.

The amount of taxes that would have accrued if the exemption had not been in place are as follows:

Tax Year	Exemption Amount
2015	\$1,563.93
2016	\$1,512.77
2017	\$1,564.10
2018	\$1,402.23
TOTAL	\$6,043.02

Based on the taxpayer's request, Council-Tax Administration and the Treasurer recommend the request to remove the exemption and accept the taxpayer's payment for the allegedly inaccurate exemption status of prior years be granted. Upon completing a signed waiver and tendering funds totaling \$6,043.02 the Treasurer shall consider the above payment in full of the retroactive removal of the residential exemption and may apply payment in a manner it determines appropriate. In tendering the payment, the taxpayer is waiving any right to contest the exemption status for the prior years, the enforceability of the tax debt, and any right to a refund of the amounts paid.

Sincerely,

Brad Neff, Tax Administrator
Council-Tax Administration
