Martin,

Parks and Rec. has partnered with Tree Utah for many years to plant trees and shrubs within our parks and open space. Hundreds of trees and shrubs have been planted over the years. It has been great to partner with Tree Utah on this type of work.

We have previously entered into an agreement with Tree Utah to do the plantings, but the maximum number of years to renew the agreement had been reached. As a result, a new agreement was developed so we could continue with this work. Dave Johnson also suggested Tree Utah submit a gift donation form that shows the approximate annual donation of their time and materials to carry out the plantings.

Will you please review and sign both the new agreement with Tree Utah and the gift donation form? No new money is needed for this agreement.

Let me know if you have any questions or concerns.

Thank you,

Dustin Wiberg
Park Planning and Development Project Manager
Salt Lake County Parks & Recreation
