Requested Agenda Title:

Budget Adjustment: Economic Development's Request to Appropriate \$1,500,000 in Revenue and Expense related to EPA Brownfields Revolving Loan Fund for Environment Remediation Loans

Requested Agenda Item Description: Salt Lake County has been awarded a total of \$1,950,000 in EPA Brownfields funding to seed a Revolving Loan Fund offering zero- and very low-interest loans to clean up environmental contamination. The RLF Coalition board has recently approved issuing three loans of \$500,000 each, for a total of \$1,500,000. These loans are anticipated to be disbursed in March 2022, April 2022, and June 2022. The loans are secured by commercial properties under redevelopment and will be paid back within 2- and 3-year terms. The EPA requires the County to lend the money to borrowers, then request reimbursement from the EPA for the loan amounts. Thus, this budget request is revenue neutral. The County will lend to the borrowers and be reimbursed by the EPA in the same amounts.
