Salt Lake County Emergency Management (Internal)

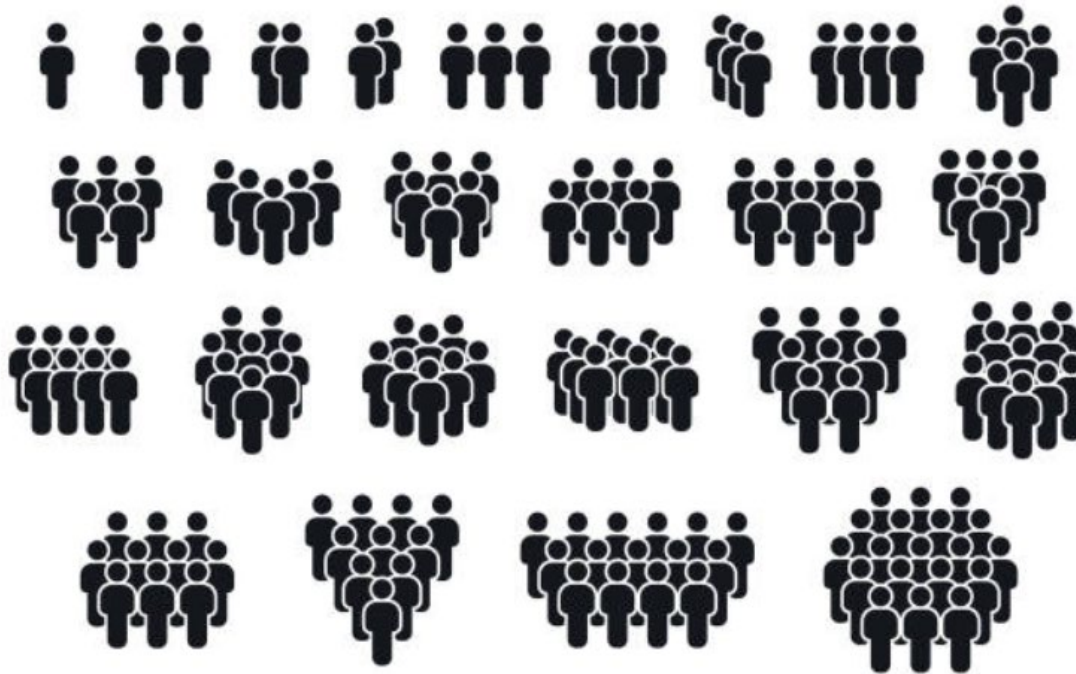

In a _____

Most important responsibility is to ensure the County is best prepared to provide essential services during **any** disruption or emergency.

...and that SLCo employees are safe
in the places they work

General Overview

- EM Budget Oversight
 - Continuity Of Operations Plans (COOP)
- Employee Trainings/Workshops, e.g. emergency evacuation/sheltering-in-place, etc.
 - Agency Emergency Action Plans (EAP's)
 - Special Projects (i.e., Downtown Facilities Security and Safety Review)
 - Emergency Communications, e.g. through InformaCast, etc.
 - Works with DA's Office to update County EM ordinances/policies
- Supports/coordinates with UFA emergency management program for county-wide emergency management services

Contra Allocation

Personnel
\$4,252.00

Did NOT hire temporary
position for safety
trainings

Operations
\$1,797.00

Reduced operational
expenses
