I recieved a \$750 project support grant from the Salt Lake City Arts Council to produce a play that I'm writing at the Great Salt Lake Fring Festival. This is done completely outside of work hours and does not influence my work. It does take place in Salt Lake County, and I could potentially make up to a few thousand dollars doing it, however most if not all of that money would go back into paying production costs. It's an artistic hobby more than a business venture.
