**Topic/Discussion Title:**

A Resolution of the Salt Lake County Council Approving Execution of Amendment Number One to an Interlocal Cooperation Agreement (County Contract # 2155) and Execution of Amendment Number Two to an Interlocal Cooperation Agreement (County Contract # 1702) with West Jordan City Providing for a Reallocation of Funding between Those Two Contracts for Transportation Projects

**Description:** Two amendments revising West Jordan's transportation contracts #1702 and #2155. Contract #1702(SB 277) for the 8600 South flyover bridge has an allocation of \$1.7M. Contract #2155(4<sup>th</sup> Quarter Choice Fund) for the 1300 West widening project has an allocation of \$3M. West Jordan currently has a mix of federal and non-federal funding sources for both projects. David Murphy with West Jordan requested the fund revision so that all the federal dollars and therefore federal requirements, will be on one project and the other project will remain a non-federally funded transportation project. These amendments will take \$1.7M from agreement #1702 and put into onto #2155. And then take \$1.7M from agreement #2155 and put it back onto #1702 for the flyover bridge. This is a budget neutral exchange on the County side but will allow West Jordan to have the 8600 South flyover bridge project proceed without federal requirements and the widening of 1300 West to proceed with federal requirements.
