WHEREAS, consistent with its legislative authority as more fully described in Salt Lake County Ordinance, the Salt Lake County Council has adopted numerous Countywide Policies; and

WHEREAS, in October of 2021, the Salt Lake County Council adopted legislative intent calling for a regular, systematic review of existing Countywide Policies to better align those policies with the current functions and aspirations of County government; and

WHEREAS, on February 6, 2024, the Council approved updates to Countywide Policy 2: “Policy Enactment, Maintenance, and Implementation,” which provides in part that “the Mayor and County Council, working in conjunction with the Attorney’s office and other relevant stakeholders . . . shall conduct a systematic review of all existing countywide policies. This policy review shall seek to identify obsolete policies that should be repealed or amended, with the purpose of better conforming each existing policy with existing law, other countywide policies, budget guidance or legislative intent, and the practical realities of Salt Lake County government”; and

WHEREAS, as a part of these ongoing efforts, the Council has reviewed Countywide Policy 1023, “Processing Education and Training Expenditures,” Countywide Policy 1030, “Electronic Communications and Coordination Board,” and Countywide Policy 7036, “Charge Cards / Proprietary,” and has determined that their substantive provisions no longer reflect the practical realities and needs of Salt Lake County Government; and
