Robin,

First of all we are beyond appreciative and thankful to the George Q. Morris Foundation for your generosity and support to Salt Lake County Animal Services.

Per our telephone conversation on 6/11/2020 the \$5,000 donation from The George Q. Morris Foundation to the Salt Lake County Animal Services will go directly into the Spay and Neuter Fund. With this generous donation it will help pay for the spay/neuter surgeries of 1200 + owned animals each year that come from low-income homes. These surgeries will be done by the amazing Dr. Kelly and Dr. Ryan here at Salt Lake County Animal Services. By sterilizing a pet, we prevent hundreds of homeless pets from entering the shelter each year.

It is always a pleasure to have the George Q. Morris Foundation as a supporter and sponsor for Salt Lake County Animal Services. We would like to recognize the George Q. Morris Foundation as the TITLE Sponsor for SPAYghetti TO GO which will be held virtually on Thursday, August 13th at 7pm. We will recognize the generosity of the George Q. Morris Foundation before and during SPAYghetti TO GO event. We will also recognize The George Q. Morris Foundation during the live Fund the Need Paddle Raise letting people know you have given us the \$5,000 donation for the grant match opportunity. Lastly, we will include a dog or cat kennel sponsorship for 2021 and of course recognition with the plaque on the Donor Wall in the lobby of Salt Lake County Animal Services for 2021.

Thank you so much,

Robin,

It is always a pleasure to have the George Q. Morris Foundation as a supporter and sponsor for Salt Lake County Animal Services. We are beyond appreciative of the generosity to match the funds of up to \$5,000 for Salt Lake County Animal Services to hit our \$10,000 goal for our #GivingTuesday fundraiser.

Per our conversation on 4/16/2020 the \$5,000 that will be generously donated by the George Q. Morris Foundation will be used for the Primary Covid-19 Response Funding. Items that will be purchased with the \$5,000 Grant fund will go towards the following:

- Personal Protective Equipment such as latex gloves, disinfecting wipes, hand sanitizers, and masks. These items will help keep staff safe while working to take care of the animals in and out of the shelter.
- Purchasing dog and cat food for our Community Pet Food Drive. The purpose for the Community Pet Food Drive is to help people who may be struggling to feed their pets during the Covid-19 Crisis. This Pet Food Drive will keep pets in their homes and out of the shelter.
- Foster Supplies. During the Covid-19 crisis we are having more animals than ever before going into foster homes since we are not allowing the public in for walk in adoptions. Because so many dogs and cats are in and going to be going into foster homes we are in need of more supplies. The foster supplies we are most in need of is crates, leashes and collars.
- Helping with the expense of boarding animals at Brickyard Kennels. This will ultimately help people who are homeless that are being hospitalized for Covid-19 to make sure their animals are safe while they are recovering in a hospital.

Thank you so much,
Jami Johanson
