Council Member Jim Bradley
Council Member Arlyn Bradshaw
Council Member Dave Alvord
Council Chair Aimee Winder Newton
Council Member Ann Granato
Council Member Sheldon Stewart
Council Member Dea Theodore

Ms. Joey McNamee, Associate Director, Aging and Adult Services, led the Pledge of Allegiance to the Flag of the United States of America.

2. PUBLIC COMMENT**3. REPORT OF ELECTED OFFICIALS:**

3.1. County Council Members

Council Member Alvord stated he intended to bring forward some new policy prompted by the discussion regarding the Council travel budgets that took place two weeks ago. He intended to request from Darrin Casper, Deputy Mayor of Finance and Administration, year-to-date information on the travel budgets for the past two years for the offices of the Assessor, Auditor, Clerk, District Attorney, Mayor, Recorder, Sheriff, and the Surveyor. He asked Mitchell Park, Legal Counsel, Council Office, if requesting the Mayor's budget would require a Council motion.

Mr. Mitchell Park, Legal Counsel, Council Office, stated while a vote would carry the most weight, the Mayor's Office has typically been amicable to voluntarily responding to informal requests.

Council Member Alvord stated he would email a request from the Council.

Council Member Winder Newton stated while she was in favor of acquiring information, a breakdown might be very resource intensive and costly to the taxpayers.

Mr. Darrin Casper, Deputy Mayor of Finance and Administration, stated there is a group in his office that reviews all travel requests, but he is currently trying to find out where that information is stored.

Council Member Alvord asked Mr. Casper if he would be willing to provide the information without a Council vote.

Mr. Casper stated he would.

Council Member Harrison stated she recently learned the Mayor's Office is currently working on updating the countywide travel policy.

Catherine Kanter, Deputy Mayor of Regional Operations, stated the Auditor is currently working on a travel audit and the information Council Member Alvord desires will likely be contained in that.

Mr. Chris Harding, Auditor, stated his office does have a travel audit in process and a notification has been sent to the various offices. However, going through Mr. Casper for the information would probably be quicker.

Council Member Stewart asked who, from the Council, was involved in the rewriting of the countywide policy.

Ms. Michelle Hicks, Executive Office Administrator, Mayor's Office, stated there is no representation from the Council Office on the Steering Committee, but she later noted that there is a training arm of the committee and Hoa Nguyen, Budget and Policy Analyst, Council Office is part of that.

Council Member Stewart questioned why voting on the policy would not require a Council sponsor.

Mr. Mitchell Park, Legal Counsel, Council Office, stated all policy must be approved by the County Council except for internal policy. He read Section 2.01 of the Optional Plan for Salt Lake County Government, which states: *The Chair shall set the Council's agenda, preside at its meetings and sign all legislative acts. Upon the request of two or more Council members, or of the County Mayor, additional items shall be included in the agenda with or without the support of the Chair.* In essence, having the Steering Committee report to the Council for

policy ultimately voted upon by the Council would be somewhat circular.

Council Member Alvord stated he sent his request to Mr. Casper and he does not require an immediate response; a week or two will be sufficient.

Council Member Stringham reminded everyone that the Municipal Services District (MSD), Clark Planetarium, Wasatch Front Waste and Recycling, etc. are starting their budget cycles.

Council Member Winder Newton stated the Mayor will present her budget on October 24, 2023 and it will be going through November 21, 2023. She asked that non-essential agenda items not be placed on the agenda during that time period if possible.

Discussion/Direction

Ms. Hoa Nguyen, Budget and Policy Analyst, Council Office, reviewed the budget adjustment.

Council Member Winder Newton stated she hesitated to add another administrative position for \$64,000. She wondered if a one-time increase for the operations manager position had been considered. She also asked if the new associate director position would eventually be eliminated.

Mr. Greg Nuzman, Director, Fleet Management, explained that even with the new position, Fleet Management would still be understaffed and that they had several people set to retire soon. The department needs someone to back the director and that person needs to be qualified.

Mr. Scott Baird, Director, Public Works, stated he supported this from a succession plan perspective. This reclassification will ensure continuity.

A motion was made by Council Member Alvord, seconded by Council Member Stewart, that this agenda item be approved. The motion carried by a unanimous vote.

Presenter: Hoa Nguyen, Council Budget and Policy Analyst
Discussion/Direction

Ms. Hoa Nguyen, Budget and Policy Analyst, Council Office, reviewed the budget adjustment.

Council Member Winder Newton asked how this contribution to the AIDS Foundation ended up not being American Rescue Plan Act (ARPA) eligible.

Mr. Darren Casper, Deputy Mayor of Finance and Administration, stated the original motion stipulated that ARPA funds would be used if the project was eligible. However, after the District Attorney's Office reviewed the issue, it was determined that ARPA funds would be used for lost revenue. Mr. Casper stated during his June budget presentation that all ARPA projects would be transitioned into transformational projects. This is much easier, not only from an administrative standpoint, but also in terms of compliance with federal regulations.

Mayor Jennifer Wilson stated, for the record, that while the motion stated the preference would be to use ARPA funds, it was approved regardless. She felt changing the Council's previous position would send an odd signal to the County's community partners.

Council Member Winder Newton stated she would vote to support this budget adjustment, but she wanted the record to reflect that she is not happy transformational dollars are being used. To give those dollars to a non-profit organization would not have been her preference.

Mr. Ralph Chamness stated when the District Attorney's Office was asked

if the item was ARPA eligible, it determined the eligibility was “iffy at best.” The agreement with the Utah Aids Foundation stipulated that donations to non-profit organizations be reviewed for accountability. This was in accordance with Council Member Alvord’s legislative intent.

A motion was made by Council Member Bradshaw, seconded by Council Member Granato, that this agenda item be approved. The motion carried by a 6 to 3 vote with Council Members Alvord, Stewart, and Theodore voting "Nay".

- 4.7 Budget Adjustment: The Office of Homelessness and Criminal Justice Reform requests 1.0 time-limited FTE for a Coordinated Entry Navigator. This position will be 100% funded with an existing coordinated entry grant; and will work out in the community to ensure unsheltered individuals are connected with the coordinated entry program and able to obtain housing with appropriate services.** [23-0860](#)

Discussion/Direction

Ms. Hoa Nguyen, Budget and Policy Analyst, Council Office, reviewed the budget adjustment.

Council Member Stringham asked how the Office of Homelessness and Criminal Justice Reform reaches out to donors and obtains resources.

Ms. Jean Hill, Director, Criminal Justice Advisory Council, stated the person holding the position would go to places like the Weigand Center and public libraries, where unsheltered people are known to spend their days, and reach out to get those individuals into the coordinated entry system.

A motion was made by Council Member Stringham, seconded by Council Member Bradshaw, that this agenda item be approved. The motion carried by a unanimous vote.

- 4.8 Budget Adjustment: Engineering and Flood Control requests to transfer \$2,061,551 from two different Jordan River projects to the Jordan River 2100 S Channel Improvements.** [23-0861](#)

Presenter: Hoa Nguyen, Council Budget and Policy Analyst
Discussion/Direction

Ms. Hoa Nguyen, Budget and Policy Analyst, Council Office, reviewed the budget adjustment.

Council Member Stringham asked if there was not already a grant writer on staff.

Ms. Catherine Kanter, Deputy Mayor of Regional Operations, stated there is a grant writer on staff, but this would be different. This person would have expertise on very complex federal laws, and they would know the best ways for local governments to pursue grants. Nobody currently on staff has the expertise to take on this role.

Mayor Jennifer Wilson stated this is an unusual time with so many grants available. The grants are flowing through various divisions of the federal government, and they are highly complex. This would be a short-term investment to ensure money is not being left on the table.

Council Member Alvord stated he had concerns about creating a program that would now be unfunded for later years.

Ms. Kanter stated the Mayor's Office's focus was not on creating new programs, but supplementing programs already in place.

A motion was made by Council Member Stringham, seconded by Council Member Bradshaw, that this agenda item be approved. The motion carried by a unanimous vote.

- 4.11 Budget Adjustment: The Sheriff Office requests to utilize [23-0865](#) \$1,689,798 of the Oxbow Jail Control room project to fund various other projects at the Oxbow.**

Ms. Hoa Nguyen, Budget and Policy Analyst, Council Office, reviewed the budget adjustment.

Council Member Theodore asked if \$60,000 was enough for everything that needed to be done.

Mr. Tyson Kyhl, Director, Facilities Services, stated the \$60,000 would cover everything.

A motion was made by Council Member Stringham, seconded by Council Member Harrison, that this agenda item be approved. The motion carried by a unanimous vote.

Presenter: Chris Harding, SLCo Auditor. Richard Jaussi, SLCo Deputy Auditor.
(Approx. 3:45PM)
Informational

Mr. Chris Harding, Auditor, delivered a PowerPoint presentation entitled Audit of Countywide Policies. He reviewed the scope and objectives; findings and recommendations; and policies referencing the Auditor.

Mr. Richard Jaussi, Chief Deputy, Auditor's Office, added that the policies referencing the Auditor were presented to the Steering Committee. There is a desire to remove any reference to the Auditor.

Mayor Jennifer Wilson asked if the Mayor's Office and the Council retain the ability to audit the Auditor.

Mr. Harding stated they did.

Council Member Stewart stated he was surprised to learn the Council had issued a response to the audit and he had not heard of it.

Mr. Harding stated the findings, while serious, were relatively benign and

this was not a typical audit.

Mr. Mitchell Park, Legal Counsel, Council Office, stated if there was a breakdown in communication, he took responsibility for it. This was an unusual type of audit, and the initial version included findings that are now in an appendix. At the time, he explained to the Auditor that he did not know if the Council was the appropriate entity for responding to the specific allegations of the audit. Also, he knew the Council would have an opportunity to discuss the findings during this presentation.

He and the District Attorney's office have looked at these policies and categorized them for review. They are listed in the resolution.

RESOLUTION NO. 6140

A RESOLUTION OF THE SALT LAKE COUNTY COUNCIL
REVOKING AND REPEALING CERTAIN COUNTYWIDE POLICIES

WHEREAS, consistent with its legislative authority as more fully described in Salt Lake County Ordinance, the Salt Lake County Council has adopted numerous Countywide Policies; and

WHEREAS, in October of 2021, the Salt Lake County Council adopted legislative intent calling for a regular, systematic review of existing Countywide Policies to better align those policies with the current functions and aspirations of County government; and

WHEREAS, as a part of this review, the Salt Lake County Council has sought comment from County offices and departments through the County's steering committee; and

Discussion/Direction

Mr. Mitchell Park, Legal Counsel, Council Office, reviewed the proposed revisions, which had been taken to the Steering Committee and received a favorable recommendation.

Council Member Alvord stated this policy seemed loaded and he was not ready to vote on it today because he was concerned this policy would prevent an elected official from bringing an issue to the Council if the Steering Committee was opposed to it.

Council Member Stewart stated he also felt more time was needed. Two weeks would be fine.

Mr. Ralph Chamness, Deputy District Attorney, stated this policy would not prevent an official from bringing an issue directly to the Council. The Council can also table anything on the agenda.

Council Member Alvord stated he would feel better if it was in writing, so elected officials knew they had that option. He added there were still other technical changes he would like to bring up.

Mayor Jennifer Wilson stated she worried about an entity circumventing the Steering Committee without review.

Council Member Winder Newton stated anyone who had proposed modifications should speak with legal counsel or the Mayor's Office.

This item was tabled for two weeks.
