PARK URBAN RENEWAL PROJECT AREA

RECITALS

WHEREAS, the Redevelopment Agency of Salt Lake County (the “RDA”) and the Magna Water District (the “District”) are “public agencies” as defined by the Utah Interlocal Cooperation Act, UTAH CODE §§11-13-101 TO -608, and as such, are authorized to enter into agreements to act jointly and cooperatively in a manner that will enable them to make the most efficient use of their resources and powers;

WHEREAS, on June 16, 2009, the RDA adopted a project area plan known as the Magna/Arbor Park Project Area Urban Renewal Plan. The plan contemplated the use of tax increment to help finance the development of the project area including, among other things, the installation of public infrastructure such as roads, curb, gutter and sidewalk, water lines, sewer lines and storm water facilities.

WHEREAS, on October 9, 2012, the RDA entered into a tax increment reimbursement agreement with Arbor Park Associates, L.C. (the “Developer”), whereby the RDA agreed to reimburse the Developer for certain of its costs in developing the project area. The RDA and the Developer also agreed to share the costs, up to \$294,030, to reimburse the District for replacing 1,725 linear feet of water lines in the project area.

WHEREAS, the District is the local authority for supplying water and wastewater treatment in the project area. Accordingly, the District has installed the necessary water lines, a portion of which costs shall be borne by the RDA and the Developer as set forth in the tax increment reimbursement agreement.

WHEREAS, the Parties now desire to provide for the payment to the District for the water line replacement costs as set forth herein.
