

# Shawn E. O’Kane

---

## **SUMMARY:**

- Highly skilled in leading and executing complex and multi-disciplinary projects at all organizational levels encompassing safety, supply chain management, production, quality, customer service, and maintenance - Lean and Six Sigma Trained
- Proven leader and organizer of organization personnel, programs, and resources - 19 years of experience as a middle to senior-level leader and manager

## **EXPERIENCE:**

**Supply Chain Operations and Fulfillment Manager, (Production Control)**, Boeing Salt Lake – Salt Lake City, UT – July 2015 – Present (Full-time, 40+ hours per week)

Managed and integrated employee's activities across multiple areas in logistics, supply chain management and warehousing. Developed and executed lean process improvements, implemented KPIs and True Lean operating environment, implemented policies and procedures, and set operational goals. Developed and maintained employee development plans.

### *Accomplishments*

- Implemented tier meetings and KPIs for six teams across production control organization
- Expanded tool repair capabilities and eliminated need to send tools to Auburn Tool Repair - Reduced tool crib inventory by \$1.5 million

**Customer Service and Delivery Manager, (Materials Management)** Fabrication South Carolina, Emergent Operations, Boeing South Carolina – North Charleston, SC June 2012 – June 2015 (Full-time, 40+ hours per week) Managed and integrated employee's activities across multiple areas in materials management and transportation. Developed and executed project and process plans, implemented policies and procedures and set operational goals. Acquired resources for projects and processes, provided technical management of suppliers and led process improvements. Developed and maintained relationships and partnerships with customers, stakeholders, peers, partners and direct reports. Provided oversight and approval of technical approaches, products and processes. Managed, developed and motivated employees

### *Accomplishments:*

- Drove supply chain basics to establish min/max inventory levels; reduced stock outs by 65%
- Sets high expectations; strict adherence to inventory record accuracy led to organization acing SOx audit in 2013 and 2014; 100% compliant
- Discovered program oversight on fiberglass funding; worked with supplier management to secure contract; recognized as site fiberglass focal
- Delivers results; mentored emergent offload supplier; reduced flow time by 50% and increased quality to 99%

**Operations Officer, (Director of Operations)**, May 2009-July 2010

Maintenance Operations Squadron, Dyess AFB, TX (Full-time, 40+ hours per week)

Led 176 military and civilian personnel in 25 different career fields. Directed upgrade and qualification training for 1,700 maintenance personnel. Developed and oversaw all aspects of executing four separate annual flyinghour programs. Orchestrated logistics to ensure fleet health for 36 B-1 Bomber aircraft valued at \$10 billion. Oversaw group programs to include safety, security, budget, facility management, and mobility operations.

*Accomplishments:*

- Developed best annual flying-hour program in five years. This program predicted the accurate number of flying missions the base could perform every day over the course of the year factoring in maintenance manpower, pilot and navigator training requirements, and aircraft availability.
- Hand-picked to lead the first-ever deployment of quality assurance evaluators to Kabul, Afghanistan. Created government oversight program to ensure contracted services were performed to allowable standards for \$287 million aircraft maintenance contract. Set high expectations; program stood up one month early and exceeded leadership expectations.
- Received highest possible promotion recommendation for promotion to the rank of Major.

**Operations Officer, (Director of Operations), April 2007-April 2009**

Munitions Squadron, Dyess AFB, TX (Full-time, 40+ hours per week)

Led 285 personnel responsible for receiving, storing, maintaining, inspecting, shipping and accounting for a 1,265-line item conventional munitions stockpile valued at \$51 million and \$155 million in aircraft weapons release systems for 36 B-1 and 29 C-130 aircraft. Led work force responsible for a \$30 million, 111-acre munitions storage area with 33 structures, 56 general and special purpose vehicles and 60 munitions handling trailers worth \$14 million. Ensured munitions and aircraft weapons release systems availability for training, contingency and wartime taskings. Authored local operating instructions, funding strategies, plans and policies.

*Accomplishments:*

- Established strategic vision; led squadron reorganization and preparations for the 2008 Air Combat Command Operational Readiness Inspection. Delivered results; munitions activities rated Excellent and resulted in the most superior performers and outstanding teams on base.
- Guided squadron through audit by the Air Force Audit Agency. Inspired others; squadron aced audit, found to be 100% accountable and in compliance with standards.
- Lean minded; revamped squadron Strategic Arms Reduction Treaty Plan, team chief lauded execution as perfect during no-notice Russian visit.
- Managed munitions project to relocate assets to Ellsworth Air Force Base during runway closure at Dyess Air Force Base. Deployed 30 personnel and \$2.9 million worth of munitions saving the Air Force \$14 million. - Rated #1 of 18 company grade officers.

**EDUCATION:**

Master of Business Administration, Project Planning Emphasis – Ashford University, 2012

U.S. Air Force Advanced Maintenance and Munitions Officer School – Nellis AFB, NV, 2009

- Competitively selected for the Air Force's 14-week graduate-level production/maintenance/logistics course
- Bachelor of Science Psychology, South Dakota State University, Brookings, SD (2001) Bachelor of Arts German, South Dakota State University, Brookings, SD (2001)

## Which Boards would you like to apply for?

Clark Planetarium Advisory Board: Submitted

---

## Referred by:

\_\_\_\_\_

---

## Qualifications

### Please tell us about yourself.

I have lived in Sandy for the past 9-years. My wife and I have 6-year old identical twin daughters who love going to the Planetarium.

### Why are you interested in serving on a board or commission?

I would love to help give back to my community and be involved in an organization that my family loves.

### What education, work experience, or volunteer experience do you have that applies to the board you are applying for?

I have my MBA, along with degrees in Psychology and German. I was active duty Air Force for 9-years as an aircraft and munitions maintenance officer. I have been in Boeing management for the last 12-years.

## What unique perspectives could you bring to the board?

I believe my experience in team building, leadership, and business would be a valuable addition to the board.
